* The Board of Education recognizes the value to school governance of public comment on educational issues and the importance of allowing members of the public to express themselves on school matters of community interest.

In order to permit the fair and orderly expression of such comment, the Board shall provide a period for public participation at every public meeting of the Board and publish rules to govern such participation. These rules are available at each Board meeting. Anyone desiring to speak is asked to make this request in advance. Participants must be recognized by the presiding officer. Comments shall be directed to the presiding officer; not to Board members individually. Board Bylaw 0169.1

Vocational Report

Roger Miller reported that Auburn Career Center may be adding College Credit Plus as part of the high school experience so students did not have to choose between a technical programs or college credits. He added they are hoping to start advertising in the spring and have the program start next school year.

Committee Reports

Mr. DeLong mentioned the facilities committee met last week to look at projects to be completed this summer. March 2 they will meet again and narrow that list down. They will also have quotes from contractors to give them a better idea at what projects can be done.
