## **PREFACE**

Dear Student and Parent,

Welcome to the 2022-2023 school year! The faculty and staff of Northwestern Regional High School are looking forward to making this a successful school year for all of our students. The education of young people should be a team effort involving a collaborative partnership between the school and parents. We are very much looking forward to working closely with all of our students and families to assure a quality educational experience for all of our kids and their families at Northwestern.

The high school experience provides students with the wonderful opportunity to discover their unique interests, talents, and gifts. Northwestern Regional High School offers a variety of clubs, organizations, and teams that can enable our students to explore new things and to learn more about themselves. There are outstanding athletic teams, musical programs, theater productions, numerous clubs and academic groups that you can participate in that will allow you to develop friendships that may last a lifetime. Take a chance by getting involved and trying something new!

High School is unlike any other time in your life. Study hard, challenge yourself, set high goals for yourself and have fun! We are very fortunate to have a great school with great students and teachers. Make the time you spend in high school some of the most important and productive of your life.

To be a Highlander is to be a part of something truly special. Northwestern Regional High School is a school where everyone is valued. We embrace diversity in all of its forms and recognize that every person in our school, student and adult, has something unique to offer our learning community. If you take the time to get to know your fellow students and your teachers well, you will form relationships with your friends and teachers that may last a lifetime. Please know that the faculty, staff, and administration are very excited and looking forward to working with you and helping you along your journey. We want to be a part of your success. Let us work together to make our school the best it can be. Along with the faculty and staff, I wish you an exciting and successful school year.

## **Please Note**

Often times our school and students are featured in the local newspapers, and occasionally on television. Please be aware that our practice with the media has been to allow students to be photographed and videotaped. Please call our office 379-8525 if you do **not** wish your child's photo to appear in the newspaper, or to be televised. Thank you.

### **It's the law!**

Please be reminded that all drivers are required by state law to **STOP** whenever school buses have their lights flashing and **STOP** arms extended. Failure to do this may result in a fine of up to \$425. For passing a bus with their lights flashing and stop arm extended. This law applies to school yards and parking lots as well as to roadways. Thank you for keeping our students safe.

### **Telephone Messages**

Please remind your students that the use of cell phones is restricted during the school day. If a parent has an important message for their son/daughter, they should contact the appropriate House Office, preferably before 1:00 p.m. After 1:00 p.m., it may become difficult to deliver the message before the end of the school day.

### **School Absence**

When a student is absent from school, the parent or guardian is requested to call the House Office. If a phone call is not received, the House Secretary will attempt to contact the parent or guardian. Students whose parents or guardians have not confirmed the absence by telephone are expected to present a written excuse to the House Secretary upon returning to school. A student eighteen years or older and not living with a parent or guardian must present a written excuse directly to the House Secretary upon returning to school. Any absence not documented will be considered unexcused. The Housemaster may require written documentation from the student's physician validating the dates of the illnesses.

### **Partial Days**

It is sometimes necessary to have a partial day due to weather events or to accommodate professional learning experiences for teachers. Please be sure to have your child attend classes on these days as our teachers continue moving forward with the curricular material.

### **Homework Requests**

The House office will honor homework requests for students who are absent from school for two or more consecutive days due to illness. Requests should be made to Mrs. Donna Williams House 2 Administrative Assistant or Mrs. Heather Vacila House 1 Administrative Assistant by 9:00 AM on the second day of absence.

### **WORKING PAPERS**

Working papers may be obtained in the **Main Office** on any school day and throughout the year. The State of Connecticut requires:

- 1) Written promise of a job from the employer signed on their letterhead, describing **specifically** the nature of the job in detail; hourly rate of pay, and hours of employment, signed and on employers' stationary.
- 2) Evidence of age such as a driver's license or birth certificate, official school records can be used (if currently attending NWR#7).
- 3) Student requesting working papers **must** be present!

Upon change of employment, a new "promise to employ" form must be completed by the new employer and brought to the Main Office. A copy of the original working papers is kept on file in the office. A new copy will be issued.

**Anyone** can now be on Student Council! Keep your eyes open for the first meeting at the beginning of the year. See Mrs. Lindsey Blanchard for more information.

The following contains information re: health enrollment requirements, sports participation, medications at school, and an updated illness policy to include COVID-19. A detailed explanation of Region 7 health services and required forms is available on the district website.

**Immunizations**

All students must present proof of immunizations from a physician or local health agency upon enrollment in Region 7. For students not immunized due to medical or religious reasons, a notarized statement from a physician and signed by the parent must be provided. Religious exemptions prior to 4/28/21 are accepted. Forms are available on the district web site.

**Seventh Graders:**

The State of CT mandates that ALL 7th graders present proof of immunizations before the START of the 7th grade year. Region 7 will use the 6th grade physical exam submitted to the elementary school for documentation of mandatory 7th grade immunizations. If you did not submit a 6th grade physical, you will need to present proof of up-to-date immunizations the first week of August. In accordance with CT State law, your child will be excluded from 7th grade until this requirement is met.

**Physical Examinations**

NWR 7 Board policy examination (C.G.S. 10-2045a) mandates that all students must present evidence of an updated physical exam:

1. Upon enrollment to the district
2. 6th grade (submitted to the elementary school for 7th grade entry)
3. During the 10th grade year

CT Health Assessment Record (Blue) Form shall be completed in its entirety to include vision, auditory & scoliosis screenings. Camp physicals will not be accepted.

All 10th grade students must submit the physical before the end of the 10th grade academic year. In accordance with CT State law, your child will be excluded from 11th grade until this requirement is met.

**Physician Notes**

In keeping with FERPA guidelines for confidentiality & privacy all medical notes must be brought/faxed (860-379-8940) directly to the Health Office. The nurses will communicate any restrictions to the appropriate staff.

## **Student Health Emergency Information Forms**

This confidential medical information, held on file in the health office, helps us provide for the health and safety of your child. These “pink” forms must be completed upon entry to NWR7 and updated by the parent/guardian at the beginning of each new school year.

If you indicate that your child has asthma that requires a rescue inhaler or that they have a life-threatening allergy that requires an Epi-Pen, you **MUST** provide both the medication and a physician-signed Medication Authorization administration form that signed by a parent. Without these medications and forms, your child will be excluded from all field trips.

Students with Asthma should have an Asthma Action Plan filled out by doctor.

Students with life threatening allergies should have Allergy Action Plan filled out by doctor.

## **Administration of Medication in School**

Nurses must follow CT State law and Board of Education policy re: the administration of medicine to your child. Only FDA medications shall be administered during school hours if the desired effect cannot be achieved outside school hours.

1. All medications, including emergency self -carry medications, will be administered only with the following:
  - a. Completion of a NWR Medication Authorization Form (available on district site), signed by an authorized prescriber and written authorization of the parent.
2. Medication orders are valid for one academic year.
3. Verbal authorization/request by parents is not permitted by law
4. All medications must be brought to the health office by an adult with the exception of emergency medications which may be transported by the student:
  - a. Epi pens, Inhaler & diabetic insulin supplies
5. Students who self -carry these emergency medications must have them on their person at all times in case of an emergency (i.e.: a lock down, fire drill etc.)
6. Parents are encouraged to provide a backup medication available in the health office.
7. Standing order for Tylenol, Ibuprofen or Tums is available through the district physician. Parents must complete the (purple) permission form in order for their child to receive medication.
8. All medication is dispensed in the Health Office only.
9. Parents must pick up all unused medication within one week of the end of the school year, otherwise the school nurse is legally obligated to destroy it.
10. By law, parents **MUST** pick up all controlled substances at the end of the academic year.

## **Field Trips**

Student must have an updated Health Emergency (pink form) Form on file in health office. Those who self- carry inhalers, epi pens, or diabetes supplies are expected to bring their medications from home for field trips. - Even with mild symptoms, you should isolate at home, test for the virus, and stay away from outside activities until all symptoms are significantly improved.
- If you test positive, isolate at home **for at least 5 days** (or longer if you still have symptoms) and **wear a mask at all times when around others in your household.**
- You may return to school on the 6th day wearing a mask through the 10th day
- Unvaccinated or partially vaccinated individuals who have had close contact with an individual with confirmed or suspected COVID-19 should quarantine at home and test for the virus **5 days after their last exposure.**
