Requests for access to, or information from, personnel files will be directed to the Superintendent or designee. COPIES

In accordance with District guidelines, the custodian of records will make a copy of requested documents in an employee's personnel file available within a reasonable time after an employee or designee submits a request.

A copy of a personnel file or record will not be mailed unless the employee has made such a request in person. The request for a copy to be mailed must be approved by the Custodian of Personnel Records, who has the authority to waive the requirement for an in-person request in the event of a hardship or urgent necessity on the part of the employee.

PUBLIC ACCESS

Within 14 days after employment with the District begins or ends, each employee and former employee should complete a form indicating his or her choices regarding public release of personal information that may be requested under the Texas Public Information Act.

The social security number of an employee is confidential and will not be released. [See DBA(LEGAL)]
