

Please complete the below transportation form and return it to your child's teacher during **Meet and Greet** or on the first day of school. Bus routes are listed on the school board website (ccboe.com) and will be available at MEET AND GREET if you are unsure what bus your child rides. We have provided multiple copies for parents with more than one child attending our school. This will help your child's teacher with making sure that each student goes to the correct place at the end of the day. This form **DOES NOT** replace the transportation request form for students that are riding a bus **other** than the bus from their home. That online form (on the county website, ccboe.com) must be completed and approved **every year** before a student may ride a different bus. Please call Mrs. Watson, Assistant Principal, for any questions about school transportation.
