

**2021-2024
SCHOOL ADVANCEMENT PLAN**

Alton Elementary

This school-wide plan meets the requirements as outlined in the Every Student Succeeds Act (ESSA).

1. COMPREHENSIVE NEEDS ASSESSMENT

- Provide outcomes of the school's data analysis by providing the top strengths and weaknesses that have been identified. Findings should include detailed analysis of all student groups as well an examination of student, teacher, and school strengths and weaknesses.

STRENGTHS	WEAKNESSES
At the end of the 2020-21 school year, the whole school had a percentage of students performing "benchmark (31%)" and "above benchmark(43%)" on the DIBELS 8th assessment for a total of 74%.	At the end of the 2020-2021 school year on the DIBELS 8th assessment, the whole school scored "below benchmark (9%)" and "well below benchmark (17%)" for a total of 26%.
From the 2018-2019 to the 2020-2021 school year on the LEAP 2025 Assessment, 3rd grade ELA showed a strength by increasing 6.4 points from 57.0 to 63.3.	At the end of the 2020-2021 school year on the LEAP 2025 assessment in ELA, 4th grade showed the greatest weaknesses in Reading Performance with a score of 23%, and Reading Vocabulary with a score of 31%. 3rd Grade showed the greatest weaknesses in Writing Performance with a score of 28%, Reading Informational Text with a score of 50%, Reading Literary Text at 39%, Written Expression with 56%, and Written Knowledge & Use of Language Conventions at 50%.
On the CLASS Observational Tool, AES earned an overall score of highly proficient (5.9). AES scored excellent in both the Emotional Support (6.6) and Classroom Organization (6.5) areas on the CLASS Observational Tool. Alton scored proficient (4.5) in the Instructional Support domain on the CLASS Observation Tool.	At the end of the 2020-2021 school year on the LEAP 2025 assessment in Math, 3rd grade showed the greatest weakness in Solve Problems with Any Operation with a score of 39%. 4th grade showed the greatest weaknesses in Major Content with a score of 58%, Additional & Supporting Content with a score of 38%, Modeling & Application with a score of 50%, Expressing Mathematical Reasoning with a score of 46%, and Compare and Solve Problems with Fractions with a score of 69%. 5th grade showed the greatest weaknesses in Solve Fraction Problems with a score of 65%.
According to teacher responses, PLC overall strengths include data analysis, modeling, lesson annotation, and backwards design of assessments.	At the end of the 2020-2021 school year on the LEAP 2025 assessment in Social Studies, 3rd graders showed the greatest weaknesses in History with 67%, Geography with 67%, and Economics with 72%. 5th grade showed the greatest weakness in Civics with a score of 70%.
	At the end of the 2020-2021 school year on the LEAP 2025 assessment in Science, 3rd grade showed the greatest weakness in Reason Scientifically at 56%. 4th grade showed the greatest weaknesses in Evaluate at 46% and Investigate at 54%.

Alton Elementary 2021-2024

	Alton scored proficient (4.5) in the Instructional Support domain on the CLASS Observation Tool
	According to teacher responses, PLC weaknesses include intervention support and time for planning.

2. SCHOOLWIDE GOAL FOR CORE ACADEMICS

- Goals must be Specific, Measurable, Achievable, Results-focused, and Time-bound
- Must Include at least 3 Core Academic Goals Aligned to the Most Current School Needs Assessment
 - Pre-K through 8th grade schools must have one ELA goal, one Math goal, and one additional academic goal
 - High schools must have one Math goal, one goal for Strength of Diploma, and one additional academic goal

Goal #1: From Spring 2021 to Spring 2024, K-3 students will increase reading achievement by increasing the percentage of students At or Above Benchmark on DIBELS 8th as follows.

Middle of the Year Monitoring Results/Areas for Improvement: Due to limitations regarding COVID restrictions, parents participated in activities using our Google platform. It was noted that more parental involvement occurred in upper grades. We attributed this to the fact that students in grades 4 th and 5 th were allowed to bring home chrome books, which provided an access to the digital platform

Team Reflection:

2021-2022

Due to COVID-19 restrictions, our PFE activities were restructured and made use of virtual platforms for students, parents and family attendance. Our events were well attended by all stakeholders. Families were provided with surveys via links that were placed on our school's website. Those surveys were completed and reviewed by school administration and the school faculty/staff members. Our final PFE activity was held on May 11th in person. Families were invited and the event was well attended. Parents were provided with information and print surveys which were turned in at the culmination of the event. The information will be used for future planning of PFE activities.

2022-2023

Alton Elementary 2021-2024

Due to PFE activities being virtual in the past 2 years, we are excited for PFE to be back in person and hoping parents are eager to be back on campus. This should in turn result in an increase in parental and community involvement.

5. INTERVENTIONS FOR AT-RISK STUDENTS

Process for determining student participation in school and classroom interventions and the process for monitoring the interventions: 2022-2024

Team Reflection:

2021-2022

The school's appointed MHP and Counselor actively engaged in sessions with students to address issues at hand and behavioral patterns in the forms of safety protocols, bullying and conflict resolution. The team focused specifically on students that exhibited unwarranted behaviors, helping to establish check in and outs, buddy systems and relationship building.

2022-2023

Alton Elementary 2021-2024

Leader in me is an evidenced based comprehensive model that builds leadership and life skills in students, and creates a school culture of trust that will be implemented this school year.

8. TRANSITION ACTIVITIES

Describe school-wide transition activities including those for Students with Exceptionalities, such as:

- *coordinating supports at key transition points and preparing students for successful transition within the PK-12 system and beyond;*
- *familiarizing the student and family with the structures, routines, and expectations of new settings/schools; and*
- *preparing students for postsecondary transition.*

Transition Activities for Students: 2021-2024

- Alton Acceleration Program: During the month of May, students in Pre-K through grade 4 will visit the upcoming grade that they will be promoted to during the next school year. Students will meet with the teacher/teachers and will be provided with grade expectations parents are invited to attend
- Alton Kindergarten Readiness Program: Parents of upcoming kindergarteners will be provided with readiness activities over the summer. Parents will receive readiness tool kits that will include books, packets, alphabet cards, sound charts, and educational websites.
- Alton Middle School Visits: Grade 5 students will visit feeder schools physically or virtually (Creekside and Clearwood) to create student schedules and go on a walkthrough of the campus to easily transition from elementary to junior high, parents are invited to attend

Parent and Family Engagement Activity: 2021-2024

- Meet and Greet: this activity will be held 2-3 days prior to the start of the school year. Parents are afforded the opportunity to drop off school supplies, meet new teachers, and greet administrators and previous teachers.
- Open House: this activity will be held during the first month of school. Parents and students are afforded the opportunity to meet teachers, learn behavior expectations, & classroom routines and procedures.

Resources needed: paper, computer, printer, ink, card stock, markers

Participation Results: 2021-2022

Feedback from Parents/Families:

Alton Elementary 2021-2024

Parents are enthusiastic about the meet and greet prior to the start of the year. They actively engaged in conversations with future classroom teachers and gained onsite on various learning techniques, content and requirements associated with their child's current grade level. In addition, parents were given the opportunity to drop off school supplies in an effort to lighten the load on the first days of school.

On May 16, 2022, our 5th population visited Creekside Junior High. Students toured the school's grounds and participated in sessions with counselors, teachers and selected student body members. During the sessions, students became acclimated with the daily routines associated with the middle school campus. They also received additional insight on the various courses and electives affiliated with the campus.
