John Beltrante
Principal

July 25, 2022

Dear Parents/Guardians:

We hope everyone is enjoying their summer! Before we know it, school will be back in session, and the 2022-2023 school year will commence! The students' first day of school is on September 6th and begins with an extended homeroom, during which time the students and staff will participate in all our emergency drills. Starting the school year by preparing students for emergencies ensures familiarity with procedures vital to success if a crisis occurs. Following the extended homeroom, students will follow their A-day schedule.

We would like to welcome all our incoming **ninth grade students and any recently enrolled upperclassmen** to an orientation on Wednesday, August 24th. An invitation to the orientation has been sent to the emails provided to the district during registration. The email includes specific information, details, and a link to register. There will be two sessions - the first session will begin at 10:45 AM and the second session will begin at 1:00 PM. The sign in for each session will be in the Performing Arts Center (auditorium). Students will have an opportunity to meet with Tiger Guides, review their schedules, and tour the high school. Parents will be invited to return to the Performing Arts Center for a brief presentation from our administrative team towards the end of each session. Our goal is to provide a smooth transition by encouraging questions directed toward our Tiger Guides and staff and taking additional time to witness the diverse amenities our facility has to offer. Please register for a session through the link provided in the emailed invitation. If you have any questions, please reach out to our Assistant Principal, Mrs. McDevitt, smcdevitt@mnsd.org or call (610) 359-4215.

Students' schedules will not be mailed home. In the middle of August, parents can expect to receive an email notifying them that individual student schedules can be accessed through their Infinite Campus portal. Please take a moment to review it carefully to ensure your child has the classes he or she has requested. We would like to remind parents and students that the schedules are finalized, with the exception of any administrative errors. Please contact your child's school counselor should you come across an error.

The faculty, staff, and administration have been working hard to prepare for the upcoming school year. We are looking forward to working collaboratively with our students and families. We encourage our students to make the most of every day and get involved.

We wish you a wonderful remainder to the summer and look forward to a successful school year!

Sincerely,

John Beltrante
Principal
