

Wise Owl

Dell Rapids Public Schools

Dell Rapids, South Dakota

2nd Quarter 2019-20

BLUE RIBBON KIND OF DAY!

It was a Blue Ribbon kind of day! Staff, students, and some very special guests helped celebrate one of education's most prestigious honors, the National Blue Ribbon Award.

Dell Rapids Elementary School was recently recognized in the 2019 cohort for being considered an exemplary high performing school. This recognition was given to only six South Dakota schools and a total of 362 from across the nation.

The students were honored to have Governor Dennis Daugaard and former first lady, Linda Daugaard in attendance. As you can see from the picture, it was a special day and one that the students and staff will always remember.

CHRISTMAS FOR OUR KIDS

“Christmas for Our Kids” is a long standing community project started by Sue Horstmeyer and currently spearheaded by the local ESA women’s organization. Because of the generosity of the Dell Rapids community, we are able to ensure a Merry Christmas for all of our Dell Rapids kids. Last Christmas we were able to provide gifts to 136 children and gift cards to 56 families in the Dell Rapids area. Those kids truly had a Merry Christmas because of your kindness.

The “Christmas for Our Kids” project works like this:

- Families in need are identified through anonymous referrals. We may all know a family in our community that is going through tough times and could use our help to provide those extras over the holidays.
- Referred families are contacted and kids' “wish lists” are requested.
- These “wish lists” are filled through donations and delivered to families prior to Christmas.

Here are some ways you can help ensure another successful “Christmas for Our Kids” project:

- 1. Refer a Family in Need** - Contact Brenda O’Hara or Lori Morris with family referrals. Please submit referrals **by November 10th**. - (Brenda: Cell 201-6571 or brendaohara@outlook.com Lori: Cell 359-8795 or tlmorris@goldenwest.net).
- 2. Adopt a Child or Family** - You or your group can adopt a child or family and purchase gifts from their “wish lists”. You will be anonymously matched up with a child or family and have fun shopping. Contact Brenda or Lori to be matched with a family.
- 3. Angel Tree** - There will be three Angel Trees set up with specific gift requests. Stop by County Fair, Avera Hospital, or First National Bank and take a tag from the Angel Tree, do your shopping, and return the unwrapped gift under the tree **by December 15th with the tag attached**.
- 4. Make a Monetary Donation** - Monetary donations can be dropped off or mailed to “Christmas for Our Kids”, First National Bank, 312 E. 4th Street, Dell Rapids, SD 57022.

We hope to have all donations collected by **December 15th** so that gifts can be sorted and delivered to the families prior to Christmas. As we enter the holiday season please consider being part of this Dell Rapids tradition. If you have any questions please contact Brenda O’Hara at 201-6571 or brendaohara@outlook.com, or Lori Morris at 359-8795 or tlmorris@goldenwest.net.

7th Grade Volleyball 2019

Front row (l-r): Isabel Tordoff, Aubrey Hubers, Paige Trewin, Rylee Bird, Brynlee Kriens
 Middle row (l-r): Kate Prochaska, Haley Rydell, Mikayla Hight, Elly Olson
 Back row (l-r): Zoey Hendrickson, Sophi Randall, Jordan Moeller, Adah Cavigielli, Coach Feist

8th Grade Volleyball 2019

The 8th grade volleyball team finished up their season on October 15th. The girls worked hard this season while learning the fundamentals of volleyball and applying them in their games. Each game the girls showed improvement. They played with passion and dedication throughout all their matches. I really enjoyed this group of girls because they showed that they played with compassion and with their team. They finished 4th place in the Dak XII tournament. Thanks for a great season and best of luck next year. - Coach Barber!!

Front row (l-r): Naomi Waters, Aleya Lensing, Makayla Cross, Alexis Powelson, Kylie LeBahn, Middle row (l-r): Jayda Royer-Kerns, Kylie Fiddelke, Clair Wynja, Lexi Ingalls, Back row (l-r): Coach Barber, Danica Heibult, Ashlyn Bitzer, Halle Uphoff, Madison Carpenter, Emily Miles

The 7th and 8th grade football teams completed their seasons. The Quarriers competed against Lennox, Flandreau, Madison, Tea, Tri-Valley, Dakota Valley, Milbank, and West Central. The 7th grade team finished with six wins and two losses with the two losses being against Tea and Dakota Valley. The 7th grade offense averaged 26.3 points per game while the defense gave up an average of 10.1 points per game. The 8th grade team finished with eight wins and no losses. The 8th grade offense averaged 21.3 points per game while the defense gave up an average of 4.3 points per game.

7th Grade Football 2019

Front row (l-r): Grady Lamer, Ian Zellmer, Talan Millage, Carson Crosby, Shaun Ness, Nick Snyder, Kane Murphy, Isaac Tudor, Ben Hyatt, Lucas Keener, Atticus Miles

Middle row (l-r): Coach Headrick, Gavin Miles, Ethan Vanderwerf, Cole Ruesink, Cooper Frost, Owen Swaney, Lincoln Fersdahl, Owen Grib, Braden Gruis, Will Ronshaugen, Ethan Wittler, Coach Kooima, Coach Ljunggren

Back row (l-r): Lane Weiland, Tristan Welch, Quinn Carr, Gage Schultz, Jackson Ahlers, Adam Marglon, Brandon Schmidt, Tad Tjaden, Dawson Hohn

8th Grade Football 2019

Front row (l-r): Ethan Narigon, Adam Tomes, Jaxson Cynkar, John Mortrude, Noah Fritz, Jace Entringer, Mason Stubbe, Ryder Vanzee

Middle row (l-r): Coach Headrick, Luke Schoolmeester, Lane Baldwin, Ethan Kringen, Kale Evans, Sutton Williams, Keaton Harvey, Kane Burggraff, Coach Kooima, Coach Ljunggren

Back row (l-r): Jack Henry, Jaden Wittler, Riley Bruns, Ryan McDaniel, Treyse Eastman, Aiden Geraets, Cooper Hauglid

FCCLA Leadership Weekend

Veronica Vanderloo and advisor Beverly Rieck from Dell Rapids FCCLA joined over 250 FCCLA (Family, Career and Community Leaders of America) student members on October 6 & 7, at the 2019 South Dakota FCCLA Fall Leadership Conference held at the Crossroads Convention Center in Huron. Students were motivated to follow this year's theme, "Where Your Leadership Begins." Veronica attended Power Training where members identified and worked on building their personal leadership skills while Ms. Rieck attended the advisors' workshop presentations.

The theme inspires members to write the next chapter of their story while developing leadership skills. Members are challenged to reach new heights and are encouraged to lead others, develop new skills, explore career opportunities, build strong families, and make a difference in local communities. FCCLA members learn more about themselves as they help others make the right choices, and commit themselves to making a positive impact within their family, school, and community. Through active involvement, members can accomplish any goal, make a difference, and strengthen leadership skills.

FCCLA stands for Family, Career, and Community Leaders of America and was first established in 1945. FCCLA was chartered in South Dakota in 1946. FCCLA is the only youth-led organization with the family as its central focus. This career-technical student organization prepares youth to assume adult roles in society as wage earners, community leaders, and caring family members by giving them important life skills needed to thrive in their families, careers, and communities. Members learn how to be active community leaders, caring family members, and prepare for life beyond high school.

Pictured is Veronica Vanderloo

Pictured are Veronica Vanderloo, Faithe Larson, and Abby Stauffenecker getting ready to present the Halloween safety skit to the first graders.

On Tuesday, October 29, three members of the Dell Rapids FCCLA Chapter presented a Halloween safety skit to the 4 sections of the first-grade class at the elementary school. They presented several scenarios about safety precautions to take while going trick-or-treating, discussed the scenarios, handed out a parent safety sheet and each student received a small treat. This is one of the community service projects the chapter does throughout the year.

Members also prepared small tray favor items with a Halloween theme that were handed out to residents of the Orchard Hills and Dells Area Nursing Home, participants of the Meals on Wheels program and patients at the local hospital.

Elementary School Christmas Concert

Santa's Toyshop is just too small! The North Pole needs more space to build their toys! But how to pay for the renovations to the shop?! And get it done in time to make all those Christmas presents? What's the gang going to do? Join the fun as the entire toyshop crew goes on the road to Branson, Missouri to raise the needed funds with a down-home country music jamboree. With the reindeer masquerading as horses, the lovely Shania Twain, and even elves that rock and roll, you're sure to enjoy the show. Join us as the 2nd, 3rd and 4th graders present "Santa's Holiday Hoedown" on December 12, 2019 at 7:00pm. (sorry this isn't Branson, only 1 show).

What's for dinner? Christmas dinner, that is. Everyone has their favorite part to the holiday festivities, but we can all agree that the holidays wouldn't be complete without a traditional Christmas dinner. Whether it's the turkey or mash potatoes or all the sweets you can eat, we have a treat for you. Join us as the KPrep, Kinder and 1st grade present "What's for Dinner?" on Friday, December 13, 2019 at 7:00pm. (Don't want you to be over-stuffed from Christmas dinner, so we're only having 1 show).

Quarrier Pride- *"We Empower Each Other To Excel"*

MS and HS Band and Choir Concerts

The 6-12th grade Winter Band Concert will be December 9th and the 5-12th
Winter Choir Concert will be December 10th.

Dell Rapids Elementary School is a Peanut Aware School

Peanut allergies can be fatal. As a safety measure for the youngest students in the district who have peanut allergies, the elementary school lunch program does not knowingly serve peanuts or peanut products in school lunches. School staff discourage students, parents, and staff from bringing peanuts or peanut products into the school. If you have questions, please contact Jill Dvorak, RN/School Nurse. **Thank you.**

MySchoolBucks

online meal payment and information portal

The Dell Rapids School District offers MySchoolBucks, a convenient and secure online meal payment and information portal. On the website <https://www.myschoolbucks.com>, parents can monitor cafeteria purchases, check lunch account balances, deposit money into student lunch accounts, create low-balance reminders, and even set-up automatically recurring payments.

MySchoolBucks provides:

- **Convenience** – Available 24/7 on the web or through a smartphone mobile app.
- **Efficiency** – Make payments for all your students, even if they attend different schools within the district. Eliminate the need for your students to take money to school.
- **Control** – Set low balance alerts, view account activity, set recurring/automatic payments & more!
- **Flexibility** – Make payments using credit/debit cards and electronic checks.
- **Security** – MySchoolBucks adheres to the highest security standards, including PCI and CISP.

How to enroll:

1. Go to www.MySchoolBucks.com and register for a free account.
2. Add your student(s) using their school name and student ID. If you don't know your student's ID, you can get it from the building secretary.
3. View recent purchases, check balances, and set-up low balance alerts for FREE!
4. Make a payment to your students' accounts with your credit/debit card or electronic check. Transaction fees will be paid by the Dell Rapids School District.

If you have any questions, contact MySchoolBucks directly:

School Meals

Reminder: If your child has been approved to receive free or reduced price lunch, he or she also qualifies to receive free or reduced price breakfast.

YOU ROCK! Here are the fall recipients of the YOU ROCK award. Each staff member was nominated and presented with a YOU ROCK stone provided by LG Everist. Students and parents are encouraged to nominate a staff member for this honor. It's a simple way to show your appreciation for their work and dedication to the children of Dell Rapids. A brief nomination form can be found on the district web site.

Mr. Habeger

Mr. Habeger does a phenomenal job of reaching and connecting with all his students. He goes above and beyond to make sure each student excels in his classroom, as well as on the football field. Mr. Habeger makes it a fun learning environment, while also teaching his students valuable life skills. You can tell he truly loves being a teacher and is a great example of what it is to have “Quarrier Pride!”

Ms. DeBoer

Ms. DeBoer does an amazing job of bringing out each of her student's full potential with her teaching techniques. She brings a fresh fun learning energy to her classroom and wears a smile that is contagious. You can find her helping at school activities and her connection with the students and staff is wonderful. She is truly an inspiration to be around and her students are lucky to have her as their teacher. Ms. DeBoer is an awesome example of “Empowering Each Other to Excel!”

SEPTEMBER QUARRIER KIDS OF CHARACTER

2020 Quarrier yearbooks are on sale now for \$60!

The yearbook staff has chosen the theme "Flowing down the Rapids" for the 2020 year. The Quarrier - the Dell Rapids High School yearbook - will be published by Walsworth companies for 2020. An email campaign from Walsworth is underway to reach out to high school students and their families to give you the opportunity to save \$5 by ordering by December 26.

You can also get an order form in the high school office or email the journalism adviser: Stacey. Gleason@k12.sd.us

If you would rather order online, please go to yearbookforever.com

Yearbook sales continue until the end of the school year, but you'll want to take advantage of the savings by ordering before December 26!

Ag In Action

The ten students enrolled in the half-block class of Wildlife and Fisheries have had the opportunity to gain experience in archery by learning the parts of the bow and arrow along with the 11 steps to archery success. The students then had the opportunity to go outside and shoot the bows at targets from various distances. The class also went fishing at the Outdoor Campus in Sioux Falls on Oct. 9 for their field trip. The students have gone over habitat needs, how we impact wildlife and management practices used to maintain healthy populations. They will also be comparing large and small mammals, non-indigenous species along with upland game birds, ducks, geese, swans and cranes in the next months of class. The semester will wrap up with students connecting the various career opportunities in wildlife and fisheries management.

The other half-block class of first period offered this fall is Ag Processing Technology. The eight students have completed the dairy processing unit and are now working on the meat processing unit. The other aspects of agricultural processing will also be covered including handling, transporting and marketing along with methods of processing, preserving, storing and new technology used in processing.

The second block class consisting of 25 students enrolled in the Introduction to Agriculture, Food and Natural Resources has been exposed to a variety of agricultural topics. During the unit on soils, students went outside and determined slope and looked at other physical properties of soil. Jim Clendenan of the South Dakota Soil Health Coalition along with several individuals from the Natural Resource Conservation Service came on Aug. 27 and demonstrated runoff with a rainfall simulation and explained the importance of soil health. During the unit on the FFA organization, the State FFA President, Shelby Ruland and the State FFA Treasurer, Nathan Linke, came into the classes on Sept. 27th and had students think about what they want to do in the future and what it takes to get there. A small wood project allows students to design and construct a project applying concepts learned in the classroom. During the water unit, the students will analyze water resources and pollution. The crops and horticulture unit will allow students to analyze different plant parts, functions, propagation methods and growing requirements. The students will also compare various types of livestock and production methods used to raise those animals. The unit on

international agriculture will help students connect commodities produced in various countries and why they are traded. This semester long class will end on January 9, but another twenty-six students will have this course during the spring semester.

Another section of Wildlife and Fisheries is offered during the first half of 3rd block covering the same material as the 1st skinny class. Ag Power Technology is offered during the second half of 3rd block and the topics covered in Ag Power Technology consist of analyzing various engine information in the classroom before going to the shop to work on engines. The classroom instruction has included safety, tools, fasteners, principles of operation, 2 and 4 cycle engines, engine performance, emission controls, carburetion, ignition systems, lubrication systems, cooling systems and preventative maintenance and troubleshooting. The students will be wrapping up the classroom instruction and then they will have the opportunity to work on their own engine projects ranging from general maintenance to complete overhauls.

In addition to the section of 26 students in Introduction to Agriculture, Food and Natural Resources, the other agriculture courses offered starting the second semester on January 13 include Fundamental Ag Mechanics, Fundamental Plant Science, Fundamental Animal Science and Ag Business, Sales and Marketing. The seven students enrolled in Fundamental Ag Mechanics will apply safety practices in mechanical applications, identify maintenance procedures and schedules for mechanical equipment, apply electrical principles in agricultural applications, investigate emerging agricultural technologies and develop employability skills. During the Fundamental Plant Science class, the twelve students will be exposed to the principles of anatomy and physiology in plants in both domesticated and natural environment, the environment to promote optimal growth in plants, fundamentals of production and harvesting of plants, pest management plans, and handling, storing and marketing of various crops. The sixteen students enrolled in Fundamental Animal Science will apply knowledge of anatomy and physiology to produce and/or manage animals

in a domesticated or natural environment; recognize animal behavior to facilitate working with animals safely; provide proper nutrition to maintain animal performance; know the factors that influence an animal's reproductive cycle; identify environmental factors that affect an animal's performance. In Agribusiness Sales and Marketing, the twelve students will be demonstrating skills necessary to obtain and keep gainful employment, use technology and documents to manage agribusiness inventory, evaluate opportunities for marketing agricultural products and use sales and marketing principles to accomplish business objectives.

The 36 high school FFA members have been busy this fall with land judging and leadership events. Sydney Emery, Noah Randall, Kaeden Eastman, Tate Flaskey, Mitchell Geraets, Jacob Vogel, Clay Wolles, Nick Wolles, Faithe Larson, Luke Randall, Zach Shellum and Drew Stroschein attended the Parker land judging event on Sept. 17 to practice their land evaluation skills. Those same twelve individuals participated in the Southeast Region Land and Homesite Evaluation event near Crooks on Oct. 1. Noah placed 19th for a silver award with Faithe Larson, Drew Stroschein, and Tate Flaskey being the other three scores that were added together for the team score to finish in 7th place.

To its owner, the FFA jacket is a physical reminder of the personal accomplishments achieved through the organization - a symbol of commitment and dedication for all who wear the corduroy. This fall 332 South Dakota FFA members from 63 chapters, received their own FFA jackets through the SD FFA Foundation Blue Jackets Bright Futures FFA Jacket Program - carrying forward that long-standing tradition of pride, dignity and honor. Jackets were sponsored by various individuals through the SD FFA Foundation program, welcoming new members into the fabric of FFA. The Dells FFA members receiving their jacket through this program were Macie Brown, Sydney Klein, Alexyss LaDeaux, Katelynn Scherff and Sadie Schmitt. The National FFA Convention was held in Indianapolis, IN on Oct. 30-Nov. 2 with five Dells members attending along with Mr. Wolff, the FFA Advisor. As Kaeden Eastman, Tayte Flaskey, Mitchell Geraets, Sydney Klein, Alexyss LaDeaux and Katie Scherff made their way toward Indianapolis, a tour of the John Deere engine plant at Waterloo, IA was taken. Fair Oaks dairy farm and hog farm was also toured on the way to Indianapolis. Once in Indianapolis, the Indianapolis Motor Speedway was toured with a lap around the "brick yard" on a bus while listening to historical

information about the racetrack. The members had the opportunity to attend various sessions, workshops and the expo which consisted of over 300 booths allowing members to visit with companies related to the agriculture industry as well as post-secondary institutions from across the country. A rodeo along with a concert by country singer Brett Young were also attended in addition to a tour of a honey farm. The Jackrabbit Invitational Leadership event in Brookings was on Nov. 7 and gave members an opportunity to sharpen their leadership skills by participating in 5 individual events which include prepared public speaking, extemporaneous speaking, employment skills, ag broadcasting and creed speaking. There are also 6 team events members can participate in which include ag issues, ag communications, ag sales, marketing plan, junior parliamentary procedures and senior parliamentary procedures. Mason Machmiller and Noah Randall participated in the Ag Broadcasting event while Katy Pulscher and Katie Scherff participated in the Employment Skills event. The FFA district leadership events will be held in Hartford on Nov. 11 in which members can compete in the same 5 individual and 6 team events with the top two teams and the top three individuals advancing on to the state event in Pierre on Dec. 8 & 9. Members can also apply and interview to serve as one of the six district officers for the 2019-20 year. The FFA has one main fundraiser for the entire year and that is the annual fruit sale. This year 46 agriculture students and FFA members sold the fruit, meat, cheese, nuts, pastry puffins and puff crust pizza items. The items sold should be in the week of December 9-13, at which time all items will be sorted to ensure the highest quality and then they will be delivered. Thank you to everyone who supported this fundraiser.

The members pictured who attended the National FFA Convention are from left to right: Alexyss LaDeaux, Katelynn Scherff, Sydney Klein, Tate Flaskey, Mitchell Geraets and Kaeden Eastman.

Winter Weather

All too soon we will be trading in rakes for snow shovels. That also means that school and activity cancellations are around the corner as well. Although students are better served academically when attending school, their safety is a top priority for me each and every day. Please keep the following information in mind as we move into the winter months.

Notification

DRPS will continue using the BrightArrow notification system. All registered parents will be notified of changes by email, text or phone calls. In addition, we will send a notice on our new mobile app and we will continue to place alerts on local radio and television stations. If you need to update your contact information, please contact the secretary at your child's school.

Timing

Our goal is to have the decision made and on the air by 6:15 a.m. or earlier. In the event that a cancellation takes place during school hours, we will always try to provide an hour notice before excusing students.

Delayed Opening

DRPS will utilize a 2-hour late start for the following reasons:

- allowing time for roads to be cleared, and
- providing time to observe changing weather conditions.

Keep in mind; I have to consider the entire district. Conditions can be very different from one boundary to another. I urge parents to have a backup plan should school eventually be called off for the entire day. **A delayed opening can often turn into a school closing**, but we need the time to determine what to do. I will do all I can to have updated closings announced by 8:00 a.m.

Additional Information

- **Haven** will be closed when school is not in session.
- **AM Preschool** is canceled if a delayed opening is announced.
- **Breakfast** is not served when school is delayed.
- **Activities** are canceled the entire day when school is not in session. This includes all practices and open gyms even if the team is not school sponsored or the sun comes out.

Finally, like you, I will not always feel the right decision was made. Mother nature is a tricky thing to predict and hind sight is often a better viewpoint! Please remember that as a parent, you have the final decision as to whether your child attends school. If you decide to keep your child home, simply contact the school prior to school starting and our building principals will count your child as "excused by parent". Likewise, you are always able to pick your child up early if you feel conditions warrant.

I appreciate your cooperation and patience as we move through the winter months.

Summer Schultz, Superintendent
Dell Rapids Public School District #49-3

In Honor Of...

Here is some beautiful photography from our Veterans Day Program.

IMPORTANT DATES TO REMEMBER:

November:

27th - 29th - Thanksgiving Break

December:

23rd - Jan 1st - Winter Break

January:

1st - New Years Day

9th - End of 2nd Quarter

10th - NO SCHOOL - Teacher Professional Development Day
