## EDUCATION

Experiential education is at the heart of all Evolve Tours' programs. Travelers focus on community engagement, critical thinking, leadership and reflection as they apply ideas learned on our trips to complex issues at home and in school.

## GLOBAL CITIZENSHIP

Evolve Tours' programs prepare travelers with 21st century skills to bring global concepts into the local sphere. We focus on sustainability, local environments, social justice and global competencies; all needed to create a better world.

## EXPLORATION

Sustainable local and global change depends on the power of relationships developed through adventure and exploration. Based on research and experience, we have developed the best practices to simultaneously facilitate collaborative exploration and intercultural immersion on our programs.
