### SCHOOL AND COMMUNITY

Oak Park and River Forest High School, a public four-year comprehensive high school, is located nine miles west of downtown Chicago and has a spirited student population of 3,463. We are proud of our academic achievements, our athletic accomplishments and our diverse school community. Founded in 1873, we are rich in history and tradition. "Those Things That Are Best" has been our school motto since 1908.

Students choose a course of study from more than 200 courses in eight divisions of study, which include the traditional academic programs as well as fine and performing arts, technology, business education, family and consumer science, and special education. Students thus have opportunities to prepare themselves for diverse post-high school paths. The rich ethnic and racial diversity of the community facilitates the development of mutual respect as well as social and personal responsibility among Oak Park and River Forest High School students.

The villages of Oak Park and River Forest, famous for their Frank Lloyd Wright architecture and charming Victorian homes, traditionally place a high priority on education. Since 1873, their citizens and community leaders have maintained a high priority on education by ensuring resources necessary to guarantee an outstanding secondary education for their children. The high school's remarkable physical facilities provide cultural and recreational benefits for all residents. The school district spends approximately \$20,838 per pupil.

### ACCREDITATION AND AFFILIATION

Oak Park and River Forest High School is fully accredited by the North Central Association of Colleges and Secondary Schools. It also has been awarded full recognition status by the Superintendent of Public Instruction of the State of Illinois. The Counseling Division is a member of the National Association for College Admission Counseling and complies with the NACAC *Statement of Principles of Good Practice*.

### FACULTY

Ninety-three percent of the faculty of 276 have earned an MA degree, while 57 percent have earned 30 or more hours beyond the MA. The typical teacher has been at Oak Park and River Forest High School for 10 years and has been in the profession for 14 years. The student-to-classroom teacher ratio is 12.6/1.
