

BWSD Cyber Academy

2022-2023

ELEMENTARY K-6

Blended Learning

Students will engage in synchronous and asynchronous learning opportunities utilizing *Accelerate Education Platform* taught by BWSD teachers. Drop-In Center time will be available to students who need additional academic support.

NEW

ENCORE OPTIONS

Grades 1-6

Students will have Encore class options per grade level, 1st-6th grade. Encore classes will be offered one per semester.

SECONDARY 7-12

100% Remote

Students in grades 7-12 will participate 100% Asynchronously for all scheduled courses through Edgenuity Platform taught by a Waterfront Learning cyber teacher. Access to virtual check-ins and support through the Cyber Academy Liaison. Upon successful completion of Cyber programming, students will graduate with a BWSD diploma.

NEW

Hybrid Model

Students can participate in a hybrid approach with asynchronous learning utilizing *Imagine Learning* curriculum taught by Waterfront Learning teachers while having the ability to take *up to 3* courses in-person at the Middle School or High School. This flex model will allow for students to have more choice in their educational model.
