The schedule is subject to change according to Instructor's discretion due to gym availability, weather, and special events.

Practices / Game Schedules are subject to change due to inclement weather and or opponent availability.

***All Middle & High School Students that plan on participating in competitive sports, are required to have a medical physical completed, must register through RankOne Sport, and must review and sign the DIS Athletic Handbook.

All TAPPS sports require a pre-participation physical before your first practice.

A Foreign Student Application must be complete if you were not born in the United States or not a citizen of the United States.

5th grade students can not participate in IAA or TAPPS Golf, Basketball, Volleyball, or Track & Field competitions, this is due to 5th grade being an elementary level.
