## Locker Agreement

We understand and agree that the following conditions govern the use of school lockers.

1. Each student must maintain the assigned locker all school year. Any change requires administrative approval and must go through the discipline office.
2. The lockers belong to the school district and students are permitted to use them as a convenience.
3. The school, its personnel, and the members of the school board assume no responsibility for stolen or damaged property.
4. The student shall be totally responsible for the confidentiality of the locker combination and its contents.
5. Students shall be responsible for keeping the locker clean (free of stickers, writing, etc.). Only masking tape can be used to attach material to the inside of the locker. No material is to be pasted or glued to the inside or outside surface. Lockers will be checked periodically for damage.
6. Students must remove all belongings from the locker by the last day of school; or as directed by school administration.
7. Students should not have an expectation of privacy for their locker. Lockers are the property of STPSB. STPSB reserves the right to open, search, and inspect your school locker without notice to you.
8. Sharing lockers is prohibited and will result in disciplinary actions.
9. You cannot keep anything illegal in your school locker, such as drugs, alcohol, stolen property, weapons, anything deemed by the school or police to be a danger, and anything else illegal to possess.
