

Objective 1: Create a learning environment, inclusive of social and emotional learning, where students advocate for their own success and are provided with the tools to succeed (Year 0 – Year 5).

- ACTION 1:** Research options to increase student access to academics, athletics, activities, and all aspects of students' opportunities and programming.
- ACTION 2:** Expand the student council to include more students and more diversity.
- ACTION 3:** Promote learning of life skills.
- ACTION 4:** Showcase course offerings for students prior to scheduling.
- ACTION 5:** Every student, grades 6-12, will complete an Academic and Career Plan.
- ACTION 6:** Distribute an annual *Student Engagement and Readiness Survey* to students to gauge perceptions of engagement, and preparedness in academics and non-academic life skills, including SEL components.

PERFORMANCE INDICATORS	DATA SOURCES
Number of opportunities for students to identify strengths and needs	Annual <i>Student Engagement and Readiness Survey</i>
Student perceptions and results from annual <i>Student Engagement and Readiness Survey</i>	
Number of students involved in extracurricular activities	Peer-to-peer observations
Developed brochures for course offerings	
Number of completed Academic and Career Plans on file compared to number of students	
Graduation rates	
Dropout rates	
College and/or career pathways
