

OUR BELIEFS/VALUES

We honor our commitment to the Poquoson community to create opportunities for all students to fulfill their potential and achieve personal success.

We believe that student learning occurs best in a safe, supportive, and nurturing environment where acceptance and inclusion are valued.

We value innovation in teaching and learning that supports and promotes student wellness and social, emotional, and intellectual well-being.

We believe that meaningful collaboration with parents, community members, staff, and students builds strong relationships and increases parental involvement.
