

Objective 2: Provide safe, properly equipped, well-maintained, updated facilities and infrastructure that support our mission, strategic plan, and educational programs (Year 0 – Year 5).

- ACTION 1:** Assess technology and facility design to facilitate student success.
- ACTION 2:** Conduct facility, service, and technology needs assessment for all buildings.
- ACTION 3:** Audit capital needs and update Capital Improvements Plan (CIP) accordingly, including educational specifications and conditions assessment.
- ACTION 4:** Gather feedback from all stakeholders on their perceptions of quality of division and school buildings and facilities.
- ACTION 5:** Distribute an annual *Stakeholder Perception Survey* to all families that includes items on family and community engagement to gauge perceptions of facility maintenance and infrastructure

PERFORMANCE INDICATORS	DATA SOURCES
Capital improvement priorities	Annual <i>Stakeholder Perceptions Survey</i>
Facilities and services audit and needs assessment	Division efficiency data
Construction updates
