Dear Corbett Prep Parents and Community,

Beginning Monday, August 29, 2022, we will be offering After-School Activities **(ASA)**, Community School of the Arts **(CSA)**, Community School of Languages **(CSL)**, and Community School of Sports **(CSS)**.

We are so excited to offer your child(ren) the opportunity to attend our program as part of the Corbett Prep experience. You will see that we have 70+ activities that will surely entice your child to participate. They will experience the "magic" of Corbett Prep! Our enrichment program consists of the following four programs:

- 1. After-School Activities (ASA),
- 2. Community School of the Arts (CSA),
- 3. Community School of Languages (CSL) and
- 4. Community School of Sports (CSS)

All our instructors are our faculty members, alumni, and hand-selected vendors. The Community School of the Arts (CSA), Community School of Languages (CSL), and Community School of Sports (CSS) are available to both our Corbett Prep families and the outside community. Our After-School Activities (ASA) programs are available only to our Corbett Prep families. Each program will have safety protocols specific to each area to be in line with our Backto-School Plan. All programming will be reviewed daily based on safety and is subject to change if the need arises.

In this brochure you will find the following:

- ★ The Programs at a Glance (pages 05-12)
  - This is a list of all four programs combined, sorted by day
- ★ After-School Activities Guide (pages 13-16)
- ★ Community School of the Arts brochure (pages 17-28)
- ★ Community School of Languages brochure (pages 29-32)
- ★ Community School of Sports brochure (pages 33-38)

We will follow the same health and safety guidelines detailed during our programs which include the following:

- Keep my child home if sick.
- Communicating directly with the Corbett Prep school nurse (<u>nurse@corbettprep.com</u>) if my child or anyone in the household tests positive for COVID-19.
- All COVID-19 protocols are subject to change due to the best policies of updated guidance.

### **Study Options**

**PRIVATE LESSONS**: The one-on-one contact between teacher and student in the traditional private lesson allows the instruction to be catered to the student's unique needs. This is the best choice for motivated students at any level of experience. Private lessons are scheduled once each week for thirty minutes. (\$360 per trimester)

**PAIR LESSONS**: Two students and a teacher meet for thirty minutes once each week in pair lessons. This arrangement offers the flexibility of allocating part of the lesson to each student, working with both students together, and having the students coach each other under the direct supervision of a teacher. The social aspect of pair lessons is motivating to many students (\$250 for each student per trimester).

**CLASS LESSONS**: Small groups of students work with the teacher and each other in-class lessons. The teacher sets the pace for each student. Older, more advanced students build their mastery by coaching younger, less experienced students. This provides an ideal introductory experience for many students (\$150 per trimester).

## The Best Christmas Pageant Ever-The Musical (1st- 5th Grade) By: Jahnna Beecham and Malcolm Hillgartner

The Herdmans are the worst kids in the history of the world—so when they crash Sunday school and demand parts in the Christmas pageant, the whole town panics. There's not supposed to be biting or cigar-smoking in Bethlehem, and while these kids have never even heard the Christmas story, they definitely have rewrites! Soon everyone from the terrified pint-sized shepherds to the furious church ladies is calling for reluctant director Grace Bradley to fire the Herdmans. It's up to Grace and the Reverend to help their community see the Christmas story and the Herdman kids through new eyes in this buoyant musical adaptation of the funny and touching holiday classic. Silent night? Not a chance. But sometimes a little joyful noise is just right for Christmas.

## Urinetown (9th- 12th Grade)

### By: Greg Kotis and Mark Hollmann

Winner of three Tony Awards, three Outer Critics Circle Awards, two Lucille Lortel Awards, and two Obie Awards, *Urinetown* is a hilarious musical satire of the legal system, capitalism, social irresponsibility, populism, bureaucracy, corporate mismanagement, municipal politics, and musical theatre itself! Hilariously funny and touchingly honest, *Urinetown* provides a fresh perspective on one of America's greatest art forms.

In a Gotham-like city, a terrible water shortage, caused by a 20-year drought, has led to a governmentenforced ban on private toilets. The citizens must use public amenities, regulated by a single malevolent company that profits by charging admission for one of humanity's most basic needs. Amid the people, a hero decides that he's had enough and plans a revolution to lead them all to freedom!

Inspired by the works of Bertolt Brecht and Kurt Weill, *Urinetown* is an irreverently humorous satire in which no one is safe from scrutiny. Praised for reinvigorating the very notion of what a musical could be, *Urinetown* catapults the "comedic romp" into the new millennium with its outrageous perspective, wickedly modern wit, and sustained ability to produce gales of unbridled laughter.

### Dear CSL Parents,

In today's progressively interconnected and interdependent world, proficiency in other languages is a crucial skill that allows us to engage with the world in a more meaningful and immediate way while better preparing to compete and succeed in the global economy. Research shows that people who speak more than one language have improved memory, enhanced concentration, and better listening, problem-solving, and critical-thinking skills.

The Community School of Languages is offering a variety of classes to provide children and adults in our community with these benefits. We have both Zoom and on-campus options for instruction. We understand that the face-to-face interactions our students and teachers enjoy each day are better in-person than occurring remotely. However, we are utilizing our remote learning environment so that teachers and students continue to be highly engaged in a way that enables everyone to feel safe and secure.

For our on-campus learners, we will follow Corbett Prep safety protocols:

- 1. Hands will be washed before and after all classes.
- 2. Dismissal and drop-off will take place in the Middle School office or Elementary office, depending on the class.
- 3. CSL Teachers will be responsible for picking up and dropping off children at Extended Day as needed.
- 4. Extended Day is offered to Corbett Prep families who require a later start time or pickup.
  Extended Day is pre-registered only! Due to safety this year, all children need to be registered for Extended Day to use the Extended Day service.
- **5. FOR OUR CORBETT PREP FAMILIES**, please register for our CSL classes at, <a href="https://www.corbettprep.com/parent">https://www.corbettprep.com/parent</a>

Proper soccer techniques are progressively introduced and as kids grow and master various skills, they are introduced to more complex soccer skills and positional understanding 4 v 4 or 6 v 6 games. All classes are led by highly trained, energetic coaches who engage kids and help maintain their enthusiasm by challenging and encouraging them to learn and accomplish new things – preparing them for school, team sports, and beyond.
