Des Moines, WA 98198

Dear Tremain:

In accordance with the established requirements and procedures of the Association of Educational Service Districts of the State of Washington, it is a pleasure to inform you that Maritime High School has been officially approved for accreditation for a six-year period, contingent upon a satisfactory third-year progress report, expiring in spring 2028.

In reviewing your application for accreditation, the AESD Accreditation Panel Sub-Committee carefully considered the documentation provided by the AESD Accreditation Process Team and its recommendation for action. These accounts, in combination with the additional information you provided at the review meeting on April 12, 2022, offered detail about the work at Maritime High School. As a result, the AESD Accreditation Panel Sub-Committee made the following commendations and recommendations.

Maritime High School is to be **commended** as follows:

- A solid foundation has been established with a clear pathway for growth towards realizing the vision of the school.

The AESD Accreditation Sub-Committee made the following **recommendation**, to be reported at the 2025 third-year review:

- Be mindful to build institutional strength that will sustain the school behind the presence of the current leadership and foundational staff.

Your students, staff, community members and school team are to be commended for earning this accreditation status. Your local educational service district will be in contact to schedule presentation of a plaque suitable for display to acknowledge your accredited status. We look forward to hearing of your continued successes.

Sincerely,

Bob Estes
