

THE  
*Jesse Long*  
SOCIETY

Annual Fund Leadership Giving

“From everyone who has  
been given much, much  
will be required; and to  
whom they entrusted  
much, of him they will  
ask all the more.”

Luke 12:48

## ABOUT THE JESSE LONG SOCIETY

---

Our community's legacy of generous giving has created the school you see today, where unparalleled academic opportunity intersects with a deep and abiding sense of God's goodness and grace for over 1,600 students. Tuition covers approximately 85% of GAC's operating budget. It does not support new building construction or the development of new programs. Additional funding is sought from friends, parents, grandparents, alumni, and foundations. Generosity and faithfulness are in the fabric of our history and continue to be a blessing to GAC.

**The Jesse Long Society** recognizes leadership giving by donors who contribute \$2,500 or more to Greater Atlanta Christian School's Annual Fund. Gifts of this level are vital to our mission. Jesse Long Society members are the founders of our future, ensuring that our school continues to offer high-quality programs and life-changing opportunities for every student.

**Thank you for considering becoming a member of the Jesse Long Society.**

“ God raised up leaders, donors, teachers, parents, and students into this new situation. He gave them a dream, a vision of what it would take, and showed them how to work together to make it happen.

- Jesse Long, GAC Co-Founder and First President

## ABOUT JESSE LONG

Jesse Long served as Greater Atlanta Christian School's co-founder and first President. In 1963, he committed to raising the funding required to open a hoped-for Christian school in Atlanta. God blessed the efforts of Mr. Long and a devoted group of leaders, enabling them to raise \$400,000 from 1,400 families. In 1967, they broke ground on a piece of property in rural Atlanta for a new Christian school. Jesse called it "God's school." Jesse Long served GAC for 38 years as President, becoming Chancellor in 1998. The Jesse Long Society, established in 2009, honors his tireless and longstanding commitment to our school.
