Dear Parents,

Our school district has purchased accident insurance coverage to protect students involved in any school sponsored and supervised activities including sports against accidental injury or death occurring while the policy is in force. Coverage is provided by Bollinger Specialty Group. Please be advised this insurance is an excess policy and may pay up to a maximum of 70% of the parents out of pocket medical expenses after a \$100.00 deductible. Bollinger pays expenses on a "usual and customary" basis subject to the policy terms and conditions. Should you wish to expand the coverage and purchase additional protection, you may register online [www.bollingerschools.com](http://www.bollingerschools.com)

If your primary medical coverage is an HMO or similar plan, it is recommended that you follow their rules and guidelines for obtaining benefits. If the HMO or similar plan is not utilized, you could incur out-of-pockets expenses resulting from charges that are over the usual and customary benefit.
