

## EPISODE 7

Hi Daxen,

At Misericordia, we know how to welcome our new students and guests!

As the 7th episode of Happenings@MU, we wanted to capture the energy and excitement of our 1-Day Orientations in a short video. [Take a look](#) at how our current students rolled-out the red carpet for our new Cougars.

Speaking of welcoming guests to MU, be sure to come to our [August 20 Open House](#) so that we can extend the same warm welcome to you and your family. You will be sure to feel at home on our campus. Don't worry - you won't have to dance (unless you want to).

While you're here, you'll notice that more new things are coming to MU! Here's an image of President Myers touring Poblano's, our new Mexican restaurant. We also have a cool new student lounge under construction, both to be open by the start of the upcoming fall semester!

[Check us out virtually](#) to see everything that we have going on at MU.

Stay tuned for more fun in the next Happenings@MU email!
