Northeast High School • August 2022

Welcome BACK to SCHOOL

Dear Viking Nation Stakeholders and Students,

It is a privilege to serve as the principal of Northeast High School. I consider it an honor to have the opportunity to lead a school with such a longstanding history in academics, athletics and the fine arts. The privilege of working with such a talented and dedicated faculty and staff, a tremendous student body, and a supportive network of parents and community members will only help push Northeast High towards new heights.

The teachers, staff and administration at Northeast High School are committed to providing high quality education, along with relevant extra-curricular opportunities, that will meet the needs and interests of all the students here on campus. Each educator is student-centered and has been challenged to engage students and provide optimal learning environments.

As your principal, I challenge every student to take full advantage of all that is offered here at NEHS so that you can make your high school life successful, enjoyable, and most importantly, meaningful. I truly believe that every student on this campus has the ability and the potential to accomplish great things! Beginning with the first days of school, I challenge each of you to begin developing, displaying, and honing your character traits and Viking Pride that will help lay the foundation for your future successes.

Please take the time to review this handbook carefully. Click on the link: <https://northeast.kcpublicschools.org/student-life>. It contains important information that will help guide you through the expectations we have for you as a Northeast High student. It also provides resources for your successful navigation of campus policies and procedures.

I also want to remind you that your teachers, counselors, and administrators are available to provide assistance. Your questions and concerns are always welcome. As you work through your years at NEHS, I challenge each of you to set goals and standards that will be above

those set by most high school students. Your time at NEHS is foundational to your future success, and we are confident about the positive impact each of our students will make in the world. I look forward to the challenges of tomorrow and, with that, I am excited about the future of Northeast High School.

Together we will continue to move forward and find new ways to achieve academic greatness, further instill and inspire Viking Pride and traditions, and create lasting high school memories. As we begin the school year, we expect that you will be instrumental in helping NEHS continue its tradition of academic and athletic excellence.

With Viking Pride,

Dr. Waymond Ervin
Principal

School recommends students carry clear backpacks

To ensure that prohibited items are not included among the students' belongings and the ongoing safety of our students and staff, Northeast High School recommends students to wear clear backpacks to school during the 2022-2023 school year.

Northeast High School has a limited supply of clear backpacks and will provide one to any student who needs it.

5 Important Facts About Parent Involvement

1. Parent Involvement boosts student achievement
2. Parent Involvement is actually a better predictor of academic success than standardized tests.
3. Parent Involvement is defined as "any variety of activities that allow parents to participate in the educational process at home or in the school"
4. Parent Involvement declines as students age.
5. Teachers and Schools can overcome barriers to parent involvement by reaching out and building trusting relationships.

welcome freshmen!!

Thursday, August 18, Northeast High School welcomed 9th graders during **Freshmen Orientation Day!** Students came with their families to meet with administrators, teachers, and support staff, picked up their class schedules, toured the campus, received a hearty lunch, and heard testimonials from STUCO and Lyrik's Institution. Also, KCPS Technology was on the scene and distributed Chromebooks to the students.
