

Our Lady of Mercy Academy (OLMA) seeks a full-time Math and Science teacher for the 2022-2023 academic year. This full-time position will begin in late August, and the teacher will be responsible for teaching several upper level classes across several grade levels. Ideally, this candidate will teach Honors Physics, AP Calculus, and AP Probability and Statistics.

The ideal candidate will have the ability to work independently and collaboratively with colleagues. Qualified candidates should have the ability to challenge students at the highest academic level as well as assist students who need more support. Other duties and responsibilities include student advising, club and committee involvement, and fulfillment of general faculty duties.

OLMA is an all-girls, faith-based high school offering rigorous academics. Our students are empowered to be empathetic leaders, using their skills and voices to help lead a world of change. We seek faculty and staff who embrace these expectations.

To apply, please send a cover letter and resume to Brooke Coyle, Head of School, at mrs.coyle@olmanj.org.
