

ABOUT EXPECT EXCELLENCE

Expect Excellence is an enhanced after school program offered by the City of Orange Beach that serves students who are Orange Beach residents. This includes students that are in virtual school or are being home schooled.

The City of Orange Beach Expect Excellence program is designed to allow every student in Orange Beach the opportunity to identify interests and passions at an early age and to develop related skill sets. Expect Excellence is not simply after school child care; it is an enhanced program for Academics, Arts and Athletics.
