OUR CATHOLIC IDENTITY  
PROCLAIM AND WITNESS

# MESSAGE FROM THE CHAIR OF THE BOARD A YEAR OF BLESSINGS AND CHALLENGES

The 2020-2021 school year was remarkable  
at Vancouver College, full of blessings  
and challenges.

► This year we saw the opening, blessing, and inaugural year of school life in our fabulous new Lannon Hall, complete with its beautiful chapel, shiny new elementary gymnasium, and many learning spaces. With campus construction wrapping up, the school courtyard was opened, refreshed and welcoming once again.

This year we saw the wind-down of the astoundingly successful *Our Next Century* Campaign. We are humbled and grateful for the generous contributions of all our many donors to this historic campaign in support of the redevelopment of Vancouver College. We did it together! Thank you.

This was a year of undeniable challenges as well. We navigated the second year of school life impacted by the COVID-19 pandemic. We are proud of our students, especially the graduating Class of 2021. The past two years were particularly difficult for them, and they persevered in the face of challenge. We are very proud of our teachers and administrative team too. Teaching throughout the pandemic has been demanding, requiring much adaptability and dedication.

The school’s response to the pandemic serves as a model of how we move forward in all challenges or difficulties, as a community, as a family does. We face things head-on, seeking truth, with humility and in charity, in care and concern for the others, with prayers for God’s guidance and help.

As St. Augustine wrote in the 5th Century:

“Bad times, hard times – this is what people keep saying; but let us live well and times will be good. We are the times. Such as we are, such are the times.”

Thank you for your support of Vancouver College.  
May God bless us all.

Sue Dvorak  
Chair VCL Board of Directors

2020-2021  
BOARD OF DIRECTORS

The Board of Directors of Vancouver College Limited is entrusted with the responsibility to ensure that the management and operation of Vancouver College are consistent with its Mission and Vision as a Catholic school. The Board is responsible for providing the policy environment in which the Administration operates the affairs of the school.

Board Member	Year Appointed	Committee 2021/2022
Johnny Bevacqua	2020	Advancement & Development, Finance & Audit, Human Resources, Legal & Insurance, Nominations, Property & Facilities, Strategic Planning

Susan Yurkowich	2016	Advancement & Development

\* Resigned from the board as of June 30, 2021

WELCOME 2020-2021  
NEW DIRECTOR TO THE VCL BOARD

**Celia Courchene** brings over 30 years of legal, business, and governance experience to the Vancouver College Limited Board. A lawyer by training, Celia practiced corporate commercial law for 10 years at Ladner Downs (now Borden Ladner Gervais) before moving into the biotechnology industry, working in both the United States and Canada in legal and

business development positions. Celia was one of the founding Directors of Partnerships BC, where she also chaired the Human Resources and Governance Committee. Celia and her husband, Ian Mackay, are the parents of VC alumnus, Raymond, from the class of 2021. She was an active member of the VC Parents Association and held leadership roles, including most recently serving as President in 2020-21.

VANCOUVER COLLEGE TRUSTEES 2020-2021

The Trustees of the Vancouver College Trust are in place to ensure the school's assets are used to fulfill the charitable objects of the Trust. This includes the operation of a Catholic education institution and specifically the maintenance and operation of Vancouver College as a Catholic school operating as a charity.

- Most Reverend **J. Michael Miller**, CSB, (since 2009)
- Mr. Bruno De Vita**, QC (since 2005)
- Dr. Stephen Ho** (VC '82) (since 2013)
- Mr. Franco Trasolini** (since 2014)
- Mr. Edward Wright** (since 2019)

## PRESIDENT'S MESSAGE GRACE AND PERSEVERANCE

The last 15 months have brought many challenges, globally and locally, which provoked us to do some soul searching and truth-seeking. As a faith and learning community, we endured and maintained a humble and grateful disposition throughout it all.

Our community continued to provide time, talent, and treasure in various ways to help Vancouver College be an exceptional school.

We are grateful to our excellent and dedicated educators who committed themselves during these challenging times by enabling each boy to develop and grow into a better man. Our teachers were led by our exceptional Assistant Principals, Barbara Seppelt, John Paul Cavalluzzo, and Frank Trentadue, all under the energetic and servant leadership of our Principal, Daryl Weaver.

We are incredibly proud of the Class of 2021, who despite so much adversity continued to demonstrate resilience with grace and perseverance. Many students received university acceptances, scholarship offers, and finished with provincial honours. We celebrated the 2021 graduating class with pomp and circumstance that included a special barbecue on campus and a "Grad Springfest" in lieu of the formal Dinner Dance. Our 155 grads received a meal to share with their families personally delivered by a VC teacher or staff to their homes. The festivities continued with 11 modified Commencement Exercises and Graduation Liturgy to celebrate this milestone.

Throughout the school year, our boys found virtual ways to follow the charism of Blessed Edmund Rice by standing in solidarity with those marginalized by poverty and injustice locally (downtown Vancouver) and globally (Brownsville, Texas; the Bronx, New York; and Lima, Peru). Our Campus Ministry team also found ways to deliver our retreat program. This program continues to be a pillar of strength for our students' spiritual, social, and emotional development.

We are fortunate to be able to work alongside all of our

parents, the primary educators of our students. Despite restrictions due to the pandemic, the Vancouver College Parents Association Executives found ways for our parent community to grow even stronger through re-imagined initiatives and events. Their continuous support is greatly appreciated and means a lot to our boys.

In October 2020, we blessed and dedicated the new Lannon Hall and spent the school year enjoying our new spaces, including our new Elementary school and Blessed Edmund Rice Chapel. The dedicated sacred space unites our community even more and strengthens our bonds through reflection, liturgy, and prayer.

The new buildings totalling 88,000 square feet are now complete. The massive undertaking of Manrell Hall and the new Lannon Hall would not have been possible without funding from the remarkably successful *Our Next Century* Campaign. We are grateful for our community's generous financial support. As the chapter of *Our Next Century* Campaign comes to a close, we will continue to work hard to raise funds to manage our construction debt and to fund other capital renewal projects to meet our school's future needs. We will ensure that each step we take benefits our students today and tomorrow as we approach Vancouver College's 100th anniversary.

On behalf of the Administrators, Faculty, staff and students, I thank each of you for your commitment to Vancouver College.

*Semper Fidelis,*

Johnny Bevacqua  
President

## FROM THE PRINCIPAL A YEAR OF GRATITUDE AND LEARNING

It was an incredible year to step into the Principal role at Vancouver College! While many have reached out to offer support and even sympathy, I am filled with gratitude that I work, play, pray, and lead on this extraordinary campus daily.

This year, we were challenged even further by the pandemic and 'reimagined' our daily classes, extra-curricular activities, and special events. We started to navigate a necessary journey of reconciliation with our Musqueam neighbours and all those systematically disadvantaged by past power structures.

Despite all those challenges, I know our people, our strong sense of community, and our faith has anchored us and ultimately led to the many successes this past school year. I am in awe of the resilience and flexibility of the many members of our community that saw this year's challenges as opportunities and maintained the essence of what makes our school special. I think of the Parents Association who reinvented its Finnegan Ball, Mothers Christmas Tea, and Mayfair events, to name a few. I think of the Campus Ministry Team that kept our retreat programs and outreach efforts thriving in a year when they were the most needed. I think of the teachers who leveraged new tech skills and variable class attendance with grace and patience all year. I think of coaches, club leaders, staff and volunteers alike, who kept our boys active, developing skills and forging friendships in isolating times. Finally, I think of the Grads of 2021, and I respect how they were able to work with us to celebrate their many talents and accomplishments despite the constant limitations they faced. Their resilience will serve them well in their next chapters and throughout their lives. Indeed, the palpable sense of the power of VC Nation, including our 8,500-strong alumni network, has never been stronger!

We will most certainly be leveraging the technological skills and other lessons learned during the pandemic.

However, we are most excited to return to in-person events, such as our usual panoply of athletic competitions, musical and dramatic performances, and social gatherings for parents in the near future. We also look forward to investing more time, resources, and expertise into developing all of our boys' mental health and wellness. We are excited to open our new Wellness Centre and welcome our new Director of Wellness, Mr. Alexander Huang (VC '04), this fall. In the meantime, our faculty will continue to engage in professional learning, delving further into deep learning, design thinking, cutting-edge assessment practices, and the return of local, national, and international experiential learning opportunities for our boys. Finally, we are launching our VC 100 Strategic Planning process this fall. In September 2022, the strategic plan will be completed to coincide with our Centenary and the beginning of a full-year celebration. All members of our community will have the opportunity to add their voices and input as we look to the next hundred years of our amazing school.

We have so much to be thankful for from the challenges of this past year. They presented us with the chance to strengthen our resolve and ultimately realize what makes Vancouver College so blessed and special. At the same time, we still have so much to look forward to as we approach the final year of our first century.

*Semper Fidelis,*

Daryl Weaver  
Principal

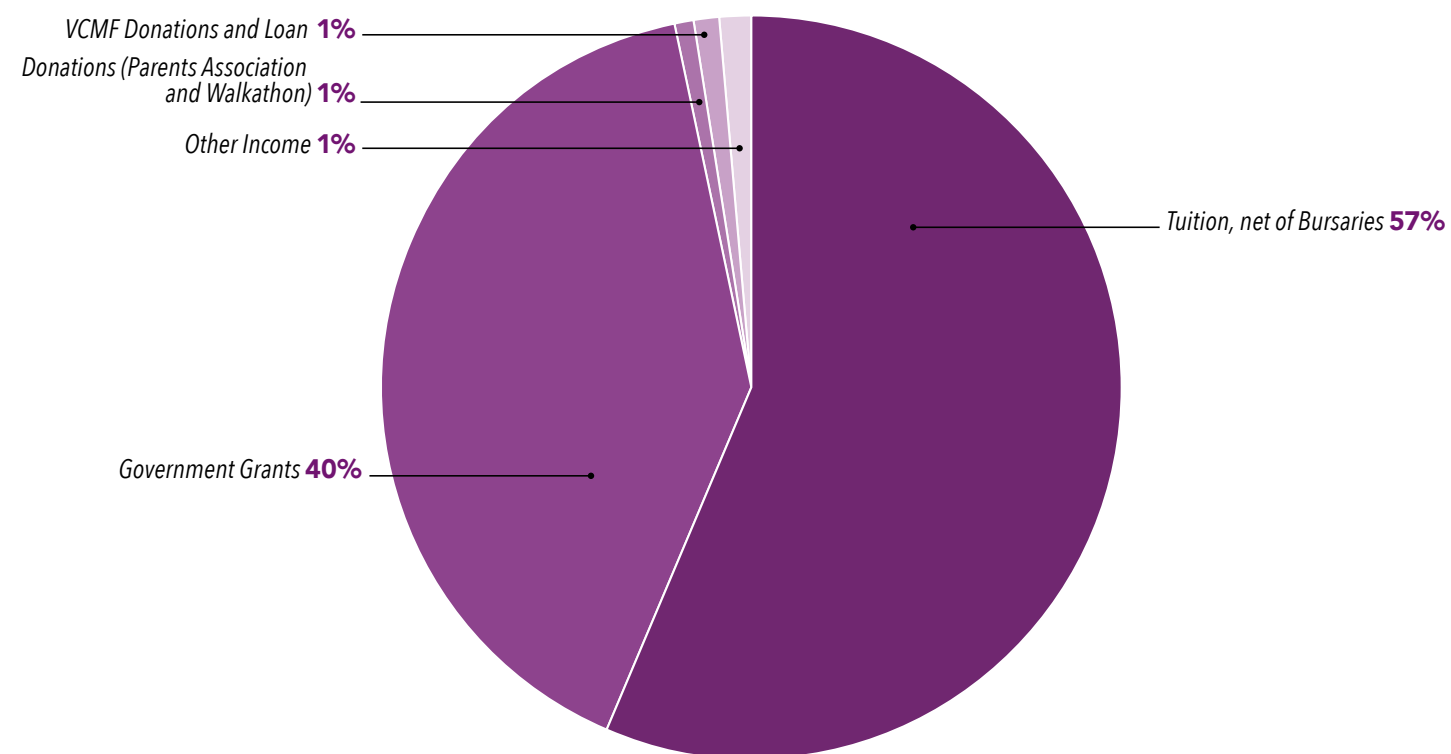

## 2020-2021 FINANCIAL REPORT

### Sources of Funds

In 2020-2021, funding from all sources totaled \$14.30 million, an increase of \$750,000 from the previous year. Tuition increased \$375 per student with the addition of technology for students, and Government Funding increased 2.77%. Other sources of funds include donations from Vancouver College Millennium Foundation (VCMF), VC Parents Association, and Walkathon. The Board continued to support the Blessed Edmund Rice Bursary Program by providing \$407,893 in tuition funding to help families in need of financial assistance in the 2020-21 school year.

For the purposes of this graph, which highlights the regular operations of the school, the Campus Redevelopment has been excluded.

**SOURCES OF FUNDS**  
**\$14.30 MILLION**

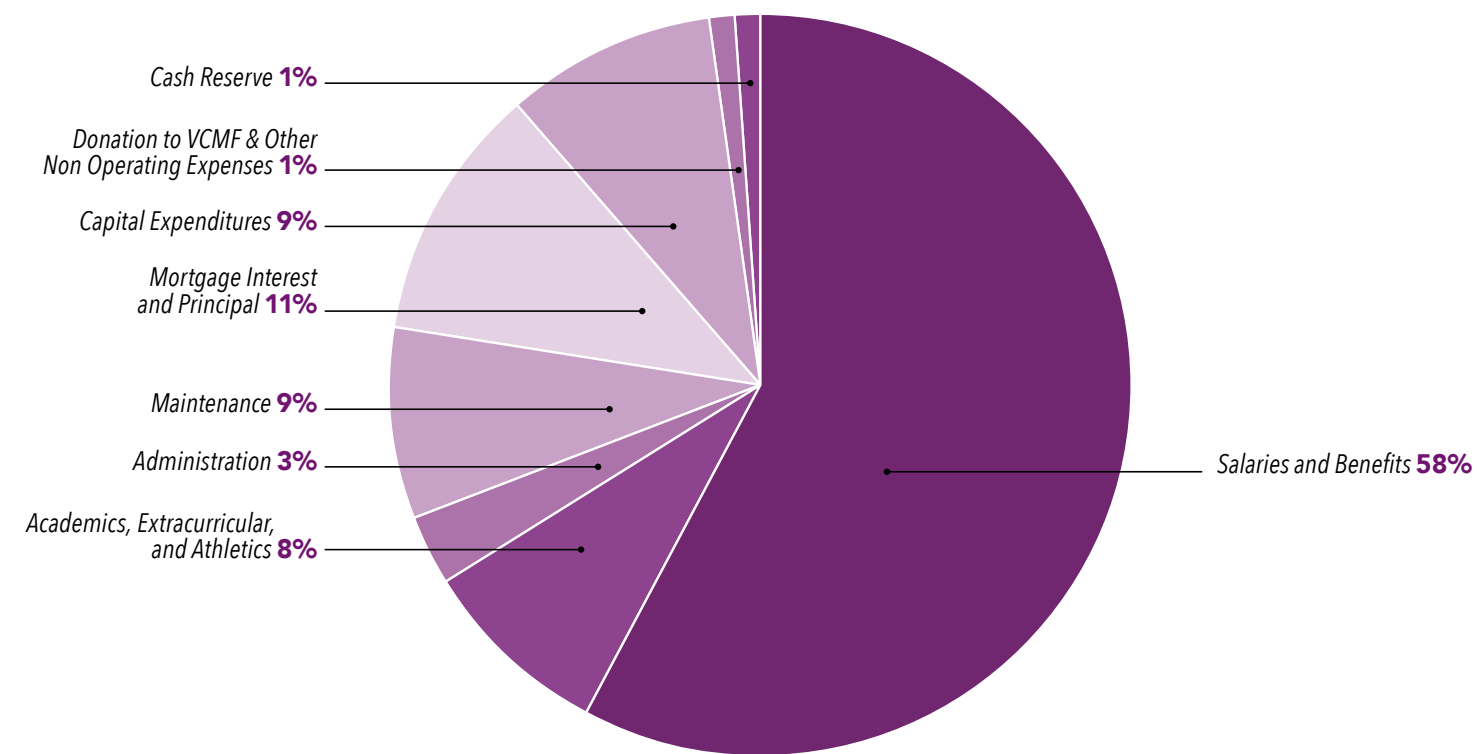

### Expenditures

On the expenditures side, Vancouver College spent \$13.01 million to operate the school and invested \$1.29 million in capital expenditures for school operations. The main expenditures for operating the school are salaries and benefits, but also include expenditures on Academics, Administration, Maintenance, and the required mortgage principal and interest payments. Capital expenditures were mainly computers for students with the inaugural one-to-one chromebooks beginning with Grades 7, 8 and 10, as well as continued upgrades of audio-visual equipment and furniture for classrooms.

For the purposes of this graph, which highlights the regular operations of the school, the Campus Redevelopment has been excluded.

**EXPENDITURES**  
**\$14.30 MILLION**

As of June 30, 2021 only \$11 million had to be borrowed to complete construction of Phase 1a (Manrell Hall) and Phase 1b (Lannon Hall) of our Campus Redevelopment as a significant portion of the project cost was funded through donations raised from the *Our Next Century* Campaign. This loan covers the difference between the total construction cost (\$43 million) and funds raised (\$40 million) and as bridge financing due to the timing of multi-year gifts. This debt will be serviced by the school and from future donations to VCMF from the Vancouver College community.

## IN GRATITUDE PRO OPERIS AWARD

In June 2021, the Vancouver College Board of Directors had an intimate gathering and presented its prestigious *Pro Operis* Award to three recipients. The *Pro Operis* Award is the Board's only award given to acknowledge recipients' extraordinary generosity and dedicated service to the Catholic Education of youth. It is a recognition of the honorees' contributions to the charism of Blessed Edmund Rice and for advancing the mission of the school. The 2021 *Pro Operis* Award was presented to Mark Brown, Rebecca Grinti-Sherry and Chris Sherry.

► **Rebecca Grinti-Sherry and Chris Sherry** joined Vancouver College in the fall of 2012. It did not take long for both of them to immerse themselves in the community. They attended numerous events such as the Finnegan Ball, Lunar New Year dinner, and different athletic events. Rebecca was also one of the long-time lead volunteers for the Mother's Christmas Tea.

Their commitment and love for the school were further demonstrated in December 2015 when they accepted the call to be Co-Chairs of the *Our Next Century* Campaign. They created a strong momentum early in the campaign with their transformational gift, thus giving the Board further confidence and assurance that the *Our Next Century* Campaign would be successful. The Sherrys understand the heart of Vancouver College. And because of their generosity, faith, and commitment to the mission of Vancouver College, we will look forward to seeing generations of boys who will leave Vancouver College as better men.

► **Mark Brown** has served as a member of the Board of Directors for Vancouver College Limited for eight years from 2013 to 2021. Mark has deep ties with Vancouver College as he first walked the school's halls in 1974 as a grade one student, and his father, John (VC 1950), and two sons (Scott VC 2020 and Matthew VC 2021) are alumni of the school as well. In addition, Mark's mother, Janet, was one of the first women on the Vancouver College Board and served as Chair from 1990 to 1992.

As the Chair of the Advancement Committee, Mark was an invaluable and inspirational leader. He advocated working together for the benefit of the students at Vancouver College. He was instrumental in securing the school's future by helping raise \$40 million for the *Our Next Century* Campaign thereby ensuring Vancouver College's legacy of faith, service, and excellence continues into its next 100 years.

## ADVANCEMENT REPORT CELEBRATING OUR JOURNEY AND THINKING ABOUT THE FUTURE

The 2020-21 school year will be remembered for a multitude of reasons. It was the year families, alumni, and friends showcased their continued commitment by coming together as best they could for our boys and the greater good of our community.

► We moved into our newest building in September of 2020. On October 13, we held an intimate gathering for the Blessing and Rededication of Lannon Hall, officiated by Archbishop Michael Miller, followed by the Blessing of the Blessed Edmund Rice Chapel a week later. With the full support of the VC Parents Association, we found ways to keep our community spirit alive. We provided ways for our families, alumni, and friends to stay connected through the re-imagined Finnegan Ball, Mother's Christmas Tea, and Mayfair. We are grateful for everyone's gifts of time, talent, and treasure.

This year, I look back with humble gratitude and a sense of nostalgia because the *Our Next Century* Campaign came to a close at the end of the 2020-21 school year. It is hard to believe how far we have come and how much we have accomplished through this ambitious campaign. We are grateful to past and present visionaries, educational leaders, and Board members who dared to dream. Talk of building upgrades due to seismic deficiencies ten years ago developed into a major campus renewal plan. We wanted to ensure our boys' safety while providing a modern learning environment.

We launched the *Our Next Century* Campaign on October 5, 2016. Through the generous support of parents, grandparents, alumni, and friends, we raised \$40 Million towards the \$43 Million renewal project that saw the construction and completion of Manrell Hall in 2018 and Lannon Hall in 2020.

As I reflect in awe, I wonder how, despite the challenges of the economic turmoil of the last few years, new charities entering the world of philanthropy, and a global pandemic, were we able to raise \$40 Million for the *Our Next Century* Campaign? I genuinely believe it's because of our shared love for

Vancouver College and dedication to our mission. We value a faith-based educational program that nurtures the whole person rooted in the Essential Elements.

We are grateful to our leadership benefactors whose names are visible throughout our campus as our way of acknowledging their generosity. We also thank our 1,300-strong donor community for their support of the *Our Next Century* Campaign. These donors' names will be etched on the wall in front of the Chapel so future generations will never forget all those who contributed to this special initiative and the significant role they played in advancing the legacy of Vancouver College.

Special thanks to past and present members of the Advancement Committee and in particular to Mark Brown (VC '86) for his leadership as Chair from 2013 to 2021, and to Chris and Rebecca Sherry, for serving as Co-Chairs of the *Our Next Century* Campaign.

As we acknowledge and celebrate where we have been, we also think about our future and where we need to go. The Board of Directors and Administrative team determine capital projects and other funding priorities to help ensure we continue to provide an exceptional student-centred, Catholic educational experience that promotes deeper and experiential learning, social justice awareness, and social-emotional learning. We look forward to your anticipated support of these funding priorities.

*Semper Fidelis,*

Ronith Cogswell  
Director of Advancement

THANK YOU FROM THE VANCOUVER COLLEGE MILLENNIUM FOUNDATION

Vancouver College is deeply grateful to all of those who provided financial support between July 1, 2020 and June 30, 2021 and/or who donated over \$10,000 towards the *Our Next Century* Campaign (names highlighted in bold). Thank you for your gracious generosity.

As *Our Next Century* is a comprehensive campaign, each and every gift including the ongoing loyalty and commitment of our monthly donors (\*), collectively makes a difference to the educational experience of our students and propels us forward towards our financial goal.

Special thanks to all the parents and individuals who provided their donations directly at events organized by the Vancouver College Alumni Association and the Vancouver College Parents Association, and to Vancouver College Limited through the school’s Walkathon.

Vancouver College is a community of caring students, teachers, and parents. There is so much more than excellent academics being taught here. Our three boys are able to learn faith-based values,

— Maria and Tony Dente

pray together, and provide service to our community. It's a place where my children have made great friends and memories and learned invaluable lessons that will stay with them forever.

Vancouver College provides a high quality, faith-based education in a family-type environment, successfully preparing students for their future education, growth and development. The faculty and staff give countless additional hours after school to lend a hand to a student in need, a parent, or to just make an extracurricular activity extra special.

Our family feels incredibly blessed to be a part of this amazing community and for this reason, we are grateful to be able to give back and support the school.
