MEAL PAYMENTS

PAYING FOR STUDENT MEALS: The Meal Magic cash register program is a debit system. Students will need to deposit money prior to using the account. Mead School District highly encourages the use of this simple and convenient way for you to deposit money on your child's meal account using a credit or debit card that is **service fee free**. Use the Mead School District Online Payment link <https://wa-mead.intouchrecepting.com/> and the deposit will be credited to your child's meal account within 4-6 hours. **Meal account balances are listed on this site.** Payments may also be made at the school office. Please place check or cash in an envelope labeled with student name and send to the building office.

MEAL TIME

We are pleased to provide breakfast and lunch for your children that meet federal standards and include produce from our Farm to School program. Breakfast is an important part of being ready to learn. We offer breakfast prior to school starting. Please check your school's schedule for specific times.

Elementary students will need to be able to say their first AND last name loud and clear for the cashier or have their ID badge. Please have them practice this important skill to keep the meal lines moving quickly. **Middle/High school students** must have their ID badge or know their student ID#. This is their 5 digit number located in PowerSchool and on their class schedule. This is imperative to keep lines moving quickly so students have plenty of time to eat.

MEAL CHARGING

Please see attached procedure.

SPECIAL DIETARY ACCOMMODATIONS

USDA Child Nutrition Programs support access to healthy meals to all children, including children with disabilities who have special dietary needs. Under the law, a disability is an impairment which substantially limits a major life activity, which can include allergies and digestive conditions, but does not include personal diet preferences. To provide accommodations we must have specific information from a recognized medical authority. Please return this completed & signed form [Special Dietary Accommodations](#) to your school’s nurse.

Students with life-threatening conditions must have physician orders and a health care plan before attending school. Click [here](#) to access Health Care Plans.

COMMUNITY ELIGIBILITY PROVISION SCHOOLS (CEP)

If your child attends **Creekside, Evergreen, Farwell or Shiloh Hills Elementary** school we are excited to announce breakfast and lunch is FREE for all students. These 4 schools have qualified for CEP under the new state law HB 1878.

What this means for you:

- If your child attends one of these schools you do not fill out a meal application for meal benefits, unless you also have children attending another school within the district.
- We do need all households that have not received notification of free meal benefits through the state directly certified process to fill out a Household Information Report. This is available on the same website as our meal applications. <https://mead.familyportal.cloud/>
- Why? The Household Information Report is critical in determining the amount of money the school receives from a variety of State and Federal programs.
- You may qualify for reduced or waived fees, such as chrome book insurance.

If you have any questions, please reach out to Nutrition Services at 509-465-6100.

We hope this information is beneficial to you in beginning this new school year. We encourage you to take time to review our webpage <https://mead.healtheliving.net/> for new information throughout the year!

Sincerely,

Nutrition Services

HOUSEHOLD is defined as all persons, including parents, children, grandparents, and all people related or unrelated who live in your home and share living expenses. If applying for a household with a foster child, you may include the foster child in the total household size.

HOUSEHOLD INCOME is considered to be the income each household member received before taxes. If including a foster child as part of the household, you must also include the foster child's personal income. Do not report foster payments as income.

- Student name(s)
- Names of all household members

C. For a family getting Basic Food/TANF/FDPIR:

- List all student names
 - Enter a case number
 - Adult household member's signature
- Complete *Parts 1, 2, 4, and 5. Part 6 is optional.*

D. For household with a foster child(ren) and other children:

Apply as a household and include foster children. Follow the directions for “**A. For households not getting any assistance:**” and include the foster child’s personal use income.

What if I’m not receiving basic food dollars?

If you have been approved for Basic Food but do not actually receive Basic Food dollars, you may be eligible for free or reduced-price meals. You must apply for meal benefits by filling out a meal application and returning it to your child’s school.

Do my children automatically qualify if they have a case number?

Yes. Children on TANF or Basic Food may get free meals and children receiving some Medicaid benefits may be eligible for free or reduced-price meals without the household having to complete an application. These children are identified by the school using a data matching process. This matched list is then made available to your child’s school food service staff. The students on this list get free meals if their schools have the free and reduced-price breakfast and/or lunch program (not all schools do). Please contact us immediately if you feel your children should be receiving free meals and are not. If you do not want your child to participate in the free meal programs using this method, please notify the school.

If anyone in my household has a case number, will all children qualify for free meals?

Yes. If someone else in the household has a case number, other than a foster child, you must fill out an application and send it to your student’s school. Please contact us immediately if you feel other children in your household should be receiving free meals and are not.

Basic Food - Can I qualify for assistance in buying food?

Basic Food is the state’s food stamp program. It helps households make ends meet by providing monthly benefits to buy food. Getting Basic Food is easy! You can apply in person at the local DSHS Community Service Office, by mail, or online. There are other benefits too. You can learn about Basic Food by calling 1-877-501-2233 or by logging on to <https://www.dshs.wa.gov/esa/community-services-offices/basic-food>.

We are in the military. Do we report our income differently?

Your basic pay and cash bonuses must be reported as income. If you get any cash value allowances for off-base housing, food, or clothing, it must also be included as income. However, if your housing is part of the Military Housing Privatization Initiative, do not include your housing allowance as income. Any additional combat pay resulting from deployment is also excluded from income.

My child’s application was approved last year. Do I need to fill out a new one?

Yes. Your child’s application is only good for that school year and for the first few days of this school year. You must send in a new application unless the school told you that your child is eligible for the new school year.

What if some household members have no income to report?

Household members may not receive some types of income we ask you to report on the application, or may not receive income at all. Whenever this happens, please write a 0 in the field. However, if any income fields are left empty or blank, those will also be counted as zeroes. Please be careful when leaving income fields blank, as we will assume you meant to do so.

To inquire about or apply for health care coverage for kids in your family, please visit <http://www.wahealthplanfinder.org> or you may call Washington Health Plan Finder at 1-855-923-4633.

Dear Parents and Guardians,

This letter is to communicate Mead School District's procedure for student meal accounts.

Online Payments

This is the most efficient way to put money on your student's account. Payments made online are posted to student meal accounts several times during the day. At this time, there is no service charge to your credit or debit card. Your student's meal account balance is listed on this website. If the balance is in (parenthesis) it signifies a negative balance. If you don't have a PowerSchool Parent Portal account, please call your school office to get an account set up.

Online payments are accepted at <https://wa-mead.intouchreceipting.com/>.

Other Payments Accepted

Cash or personal check payments are also accepted at all school offices and are deposited by bookkeepers as they receive the payments.

Parental Control

At any time parents/guardians may put purchasing limits on their children(s) meal accounts. Please contact our office at 509-465-6100 for more details. We require the parental control request be in writing.

Low and Negative Meal Account Balances

- Any student requesting a full meal will be allowed one regardless of account balance, unless there are parental controls prohibiting meal account purchases.
- Elementary: notification of account balances are only directed to parents/guardians. ● Middle School: notification to students of their account balance occurs when the meal account reaches positive \$10.00. Students are not told their balance after it reaches a negative balance.
- High School: notification to students of their account balance occurs when the meal account reaches positive \$10.00.
- Extra Purchases / Snack Items: snacks or extra items such as additional milk and extra entrees cannot be purchased if a student's account is negative. **Only full meals are allowed to be charged.**
- Adults must keep their meal accounts positive. No purchases will be allowed that result in a negative balance.

Meal Account Balance Notifications

Notifications to parents/guardians are made twice weekly through email and through School Messenger when student balances are low or negative. In addition, principals or counselors may reach out when 5 or more meals are charged to your students account.

To ensure receipt of these notices please keep your contact information up-to-date. Access your PowerSchool parent account and click the Student Information Update link.

Meal Debt Payments

If at any time you are concerned about being able to pay for your child's meals please contact

Nutrition Services. It is imperative at all grade levels that parents/guardians keep meal account balances positive. **Parents/guardians are expected to pay delinquent debt when notified by the school district of the debt.**

Free and Reduced Meal Application or Household Information Report (HIR) A new application is required yearly to see if your household qualifies for free or reduced price meal benefits. If you receive a letter from the Nutrition Services office in August stating no application or HIR is needed for your child, then your child has been directly qualified through the state of WA. and no application is needed. If other children reside in your household and are not listed on the letter please contact the Nutrition Services office at 509.465.6100. The quickest way to apply is online at <https://mead.familyportal.com>. If your child attends **Creekside, Evergreen, Farwell or Shiloh Hills Elementary** we request you fill out the Household Information Report on the same website as the meal application. Paper applications, translated applications and HIR's are available at all schools and the Nutrition Services office. Applications are accepted at any time during the year.
