

## **JOIN VALLEY VIEW PTA – WE NEED YOU!**

Don't stress, all the major PTA positions have already been filled for this year. Phew! But we still want you to get involved, build community, and share your talents with our school.

We have created simple ways for parents to get involved, without a large time commitment. The first step is to pay your \$5 PTA Membership fee in the Valley View Online Store (link below) and then you can join us as your schedule will allow.

**Or even if you can't volunteer this year, paying your \$5 membership fee supports important state and local PTA initiatives that directly impact our students. Please join!**
