I. STATEMENT OF PURPOSE

Morningside School is committed to providing quality education to every student in the district. Partnerships with parents and the community are essential to this goal as neither home nor school can achieve this goal independently. Everyone gains if school and home work together to promote high student achievement. Parents play an important role as children’s first teachers and their support is critical to their children’s success. Morningside School intends to include parents in all aspects of the district’s Title I-A programs to create a school-home partnership that will promote student success.

Grade level goals for all children in Morningside School will be distributed to parents with the expectation that *all* students will work toward these goals. Morningside School recognizes that some students may need the extra assistance of Title I-A programs to reach these goals the school is committed to providing that support.

II. PARENT ENGAGEMENT IN DEVELOPING AND REVISING THE POLICY

Morningside School Parent Advisory Committee consisting of campus parents, teachers, principals and community members developed the School’s Family Engagement Policy. The Parent and Family Engagement Department will annually form an Advisory Committee to review the Family Engagement Policy and to revise it as necessary. Special attention will be given to recruiting parent volunteers of children served in the Title I-A Programs, with a goal of having at least two parents of each campus on the committee. The Title I-A Family Engagement Policy will be posted on the Campus website.

Morningside School will ensure to hold an annual Title I meeting for parents. This meeting will be held during the fall semester. The purpose of this meeting is to provide

parents with information regarding Title I-A guidelines and services offered utilizing Title I-A funds as stated in the current Family Engagement Policy.

The Family Engagement Policy will also be distributed to parents. Parents will be given the opportunity to offer their suggestions for any revisions to the policy. Parents may also volunteer to serve on either the district-wide (DPAC) or individual school's advisory committee (SBDM) or both.

The annual Title I-A meeting will be held at flexible times to increase the opportunity for parental participation. English and Spanish translation will be available. Written notices in both languages will be sent to parents notifying them of the date and times of the meeting. Parent volunteers, parent trainers, and parent liaisons will also contact other parents by phone regarding the meeting. Volunteers who speak both English and Spanish will make all contacts.

IV. SCHOOL-PARENT-STUDENT COMPACT

According to Title I-A regulations, Morningside School must share responsibility with parents for high student achievement by jointly developing a School-Parent-Student Compact. This compact must outline the responsibilities of parents, staff, and students for promoting high student performance. Parents on Morningside School Advisory Committee/SBDM must be involved in designing the compact. Students' responsibilities may vary by grade level.

All parents will receive the compact from their child's school with a checklist of the responsibilities that teachers, parents, and students have for helping students achieve their goals. Morningside School will conduct a Parent-Teacher conference to discuss the responsibilities stated for all stakeholders in the S-P-S Compact.

Parents are urged to discuss the compact with their children before they and their children sign the document. The School-Parent-Student Compact will be posted on Morningside website.

V. TYPES OF FAMILY ENGAGEMENT

Morningside School will provide opportunities for parent engagement for parents to become involved in their children's education. Morningside School values both the at-home contributions of parents and those that take place at the school or in the community. Reading to children at home and talking with them at family meals are as important as volunteering at school and serving on advisory committees. Many types of family engagement are needed in school-home-community partnership to help all children succeed. In alignment with BISD's philosophy and mission, each Campus Improvement Plan (CIP) must include a family engagement component. All parent and community volunteers must comply with the district policy regarding State of Texas background checks.

Parents may also call the Parent and Family Engagement Department or the individual school office to express an interest in a particular workshop topic or to make recommendations about the program.

Morningside School informs parents of monthly activities and current issues through various means of communication including; announcements, telephone calls, conferences and the department website. Communication with parents should also include a school newsletter distributed by each school at least four times a year. Notices sent home should be in both English and Spanish. Parents will also be asked for their input on the content and effectiveness of the Title I-A family engagement programs through an annual evaluation of the program. The evaluation will include an assessment of overall increases in family engagement and barriers to parental participation that still need to be overcome.
