

Welcome to the Dalton Junior High School Website!

My name is Missie McKinney, and I am blessed to serve as the principal of Dalton Jr. High. We are thrilled you are visiting our website. Be sure to connect with us through our social media platforms on Facebook www.facebook.com/djhscats or on Instagram @daltonjuniorhigh as well.

Dalton Jr. High School is excited to start year two! Academically we made great gains, improving our test scores and successfully sending 79% of our 9th graders on track to their high school of choice. We had an amazing year one and look forward to what this year will hold!

Cats, I welcome your input and value your positive energy as we continue to work together building an outstanding culture at Dalton Jr. High School. We intentionally work to make every student feel welcome and connected to school through one-on-one advisement and a variety of sports and club opportunities.

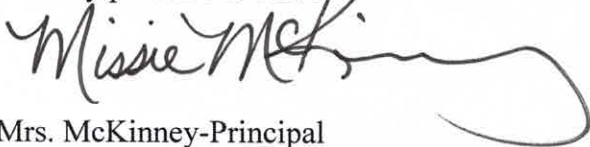

We know this will be an incredible and productive school year! Our highly qualified and devoted staff will be designing work just for you. As we work to build relationships, we look forward to getting to know each of you as unique individuals, by exploring your personality, learning style and interests.

At Dalton Jr. High School we have the expectation that we consider everybody, every day, and we are all learning and growing together. We will intentionally design experiences that will ensure every student, every day is finding a way to feel **connected**, and every student, every day is **challenged** by new learning and experiences.

We have built a culture of learning based on hard work, collaboration, laughter and fun. Our promise is to challenge you to try new things, make mistakes and take chances every day. Our guarantee in doing this, you will become an empowered group of learners who have the capacity to experience nothing but success as you move into your high school of choice.

Welcome Cats! Know that you are a vital part of our family; we have a lot of work ahead of us and we can't wait to get started! Thanks again for visiting our website! If you are new to the area, please reach out and come by for a tour. We would love to show you our wonderful school!

It is my pleasure to serve!
