Established in 1845 by the Religious Society of Friends, Friends’ Central School is an independent, co-educational Quaker day school for grades nursery through 12. Total school enrollment is 817 students; 385 students are enrolled in the Upper School.

The campus is located just over Philadelphia’s western border and draws students from the city and four surrounding counties. 40% of the student body self-identifies as students of color; 9% are Quaker. Need-based financial aid is granted to 42% of students. In the Class of 2022, 99% of graduates chose to attend a four-year college and 1% chose to take a gap year. NAIS accredited.

CURRICULAR and PROGRAM HIGHLIGHTS

- All FCS courses are taught at the honors level. **Our Advanced courses equal or exceed the rigor of AP courses.**
- **The English department does not offer an advanced track option.** All students must complete the rigorous literature curriculum.
- **U.S. History Advanced** is a document-based course. Each student completes a capstone, ten-page, thesis-driven, primary source-based research project during the spring semester.
- **The standard course load is five major courses per year.**
- Friends’ Central School **does not calculate a grade point average or class rank.** A junior year grade distribution is provided to assist colleges in assessing student academic performance.
- All students entering the Upper School as 9th graders complete a minimum of 115 hours of **community service** prior to graduation.
- **Discipline** at FCS is considered a part of the educational process and is normally an internal matter. However, conduct infractions by FCS students may have consequences beyond the confines of the School. Concerned about student behavior on their campuses, colleges may ask applicants about their high school disciplinary records. As their advocates, the college counselors will work closely with students in reporting disciplinary matters to colleges, as required.
- FCS is a member of the **Global Online Academy.** GOA offers online courses outside of the scope of the FCS curriculum. Students receive FCS credit upon completion of a GOA course.
