2021 School Accountability Report Card

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at www.cde.ca.gov/ta/ac/sa/

For more information about the LCFF or the LCAP, see the CDE LCFF web page at www.cde.ca.gov/fg/aa/lc/

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2021-22 School Overview

The Lawrence School Community is committed to providing a learning environment that promotes rigorous teaching, learning and promotes high academic expectations for all learners. We believe that all students can achieve to a higher level of learning if the learning environment is academically challenging, safe, and nurturing. At Lawrence, we believe the learner needs to take responsibility for their learning in order for the student to academically challenge him/herself to do the best that they can do in school and in life. The school provides a learning community that promotes quality education and critical problem solving skills to all learners through a challenging and standard based district adopted curriculum.

The 2021/22 School Goals for Lawrence Elementary are:

Goal 1: English Language Arts - By May 2022, Lawrence will increase the percentage of students who meet/ or exceed standards on ELA CAASPP by 5%.

Goal 2: Mathematics- By May 2022, Lawrence will increase the percentage of students who meet or exceed standards on Math CAASPP by 5%.

Goal 3: English Learners- By May 2022, Lawrence will increase the number of students who are Re-designated Fluent English Proficient (RFEP)

Goal 4: Parent Involvement-By May 2022, Lawrence will increase Parent Involvement by 3%.

Goal 5: Professional Development- All Lawrence Teachers, Administrators, and staff will participate in high quality on-going professional development to improve standards based instruction, activate student engagement and increase rigor; as well as the continuous improvement of a positive school culture.

To prepare the school and students to have high expectations for all learners, the school has a Teacher Leadership Team (TLT) that has teacher representation spanning across the grade levels. The TLT meets monthly or when needed to support teachers, students and parents. The school implements the core curriculum with fidelity and direct, explicit instruction is taught through the school day. Teachers work with small groups of students during UA time to reteach skills or to academically challenge students. The school implements a sequence of assessments for learning throughout the academic school year. Through diagnostic and regular assessment intervals students are identified for interventions to support learning acceleration in areas below grade level. To support students in meeting academic achievement goals in English Language Arts the school provides two Reading Intervention Specialists for grades K-6 and utilizes SIPPS as a supplemental reading program to support intervention/differentiation in grades K-3. To support the school mathematics goal, the school utilize Dream Box and

2021-22 School Overview

Flocabulary to supplement the core math instruction program. Academic Conferences are held yearly to review school, class, and individual student data to better inform decision-making. Lawrence is an AVID school where all teachers use AVID elementary strategies to support all learners. The school implements a PBIS (Positive Behavior Interventions and Support) system school-wide. Monthly PBIS assemblies are held to encourage students to demonstrate a Positive Attitude, Always be Respectful, make Wise Choices, and demonstrate Safety (PAWS). To support English Learners at Lawrence, the school provides daily designated English Language Development (ELD) instruction. Bilingual Paraeducators push-in to the classrooms daily. Response to Intervention (RTI) is a Three-Tiered Model Intervention Program that identifies students who need intervention before the student becomes eligible to receive RSP services. RTI model is being implemented at the school and will work closely with the school counselor, psychologist, special ed., teacher and admin to ensure the needs of the student are being met before they are eligible for special ed services. The Identification/Intervention involves the SST meeting. Students can be identified for academics, behavior, emotional and attendance. The SST operates on standard base, and is driven by standardized and formative student assessment data.

Parents are recognized as an integral part of the school community at Lawrence elementary school. School calendars of events and teacher newsletters, brochures and announcements are keeping parents informed about their child's education and school events. The school has an active English Learner Advisory Committee (ELAC) and a School Site Council (SSC).

Lawrence Elementary School is located in the northeast section of the city of Lodi and shares the same site as the School Readiness/Preschool Services Children's Center. Originally built in 1960. The school is on a Modified Traditional schedule. There is one full time Principal, one half time Vice Principal and 24 full-time general education classroom teachers, 1 Resource Specialist, 4 Special Education Preschool Teachers, 1 Full-Time Intervention/Literacy Teacher, and Full-Time Counseling.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

School Facility Conditions and Planned Improvements

AGE OF SCHOOL BUILDINGS: This school sits on seven acres and was built in 1960/1972. It began with seven classrooms, an office, a multi-purpose room and a trailer, which was used for storage. Twenty portables were added between 1982-1999. In 1985, a new toilet portable was added. A new multi-purpose room was built in 2000 along with a portable to be used for the Healthy Start program. In 2003, the school added two more portables and re-located two additional to the site. Recently the entire school has been renovated and we no longer have portables on site.

MAINTENANCE AND REPAIR: The Lawrence School facilities' condition, including grounds and restrooms, are very good based on custodial staffing, a regular district painting and maintenance schedule and funding available for equipment and supplies. Custodial workers are assigned based on a district formula to ensure equity. District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

CLEANING PROCESS AND SCHEDULE:

A scheduled maintenance program is administered by Lodi Unified School District to ensure that all classrooms, restrooms and facilities are well-maintained and in good repair. Staff works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

DEFERRED MAINTENANCE PROJECTS: N/A

MODERNIZATION PROJECTS: 2011 Remodeled main building, added more new classroom wings and new parking lot. 2015 Added access control and cameras. 2020 Fire alarm Project

NEW SCHOOL CONSTRUCTION PROJECTS: N/A

Data on school facilities was collected for Lawrence Elementary on 1/14/2022.

Lodi Unified School District takes great effort to ensure that all schools are clean, safe and functional. To assist in this effort, the district uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the school office or the district office. As of January 2022, none of the eight emergency facilities needs specified in Education Code Section 17592.72 (c)(1) exist at Lawrence Elementary.

These needs include:

- gas leaks
- nonfunctioning heating, ventilation, fire sprinklers, or air-conditioning systems
- electrical power failure
- major sewer line stoppage
- major pest or vermin infestation
- broken windows or exterior doors or gates that will not lock and that pose a security risk
- abatement of hazardous materials previously undiscovered that pose an immediate threat to pupils or staff
- structural damage creating a hazardous or uninhabitable condition

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years.

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2020-21 California Physical Fitness Test Results

Due to the COVID-19 crisis, the Physical Fitness Test was suspended during the 2020-2021 school year and therefore no data are reported and each cell in this table is populated with "N/A."

Grade Level	Percentage of Students Meeting Four of Six Fitness Standards	Percentage of Students Meeting Five of Six Fitness Standards	Percentage of Students Meeting Six of Six Fitness Standards
Grade 5	N/A	N/A	N/A
Grade 7	N/A	N/A	N/A
Grade 9	N/A	N/A	N/A

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2021-22 Opportunities for Parental Involvement

This section provides information about opportunities for parents to become involved with school activities. Parents who wish to be a partner in the learning of their child(ren) education are welcome to join and participate in Lawrence Elementary: leadership teams, school committees, school activities, or become a volunteer in the classroom may contact Principal Kelly Collins at (209) 331-7356.

Parents are invited to join School Site Council (SSC) and English Language Advisory Committee (ELAC). Parents have the opportunity to participate in the development of the School Plan for Student Achievement (SPSA) Safe School Plan and Parent Involvement Plan. There are a variety of parent education and family nights. Examples include: Back-to-School and Open House.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

Subject	School 2018-19	School 2020-21	District 2018-19	District 2020-21	State 2018-19	State 2020-21

Expulsions	0.00	0.00	0.15	0.01	0.08	0.00

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

2021-22 School Safety Plan

A Comprehensive School Safety Plan is in place to address safety issues as well as a school wide plan to eliminate bullying behavior. Key elements of the safety plan include safe school strategies and programs, disaster response procedures, procedures for safe ingress and egress and rules and procedures on school discipline. School wide behavior expectations and discipline policies are consistently applied and students are provided adult supervision at all times. Visitors to the school must sign in at the office and receive a visitor's pass prior to going to classrooms. Visitors must return to the office and sign out upon leaving the school. Our Comprehensive School Safety Plan was last reviewed on 12/07/2020.

2020-21 Local Accountability Report Card (LARC) Addendum

Local Accountability Report Card (LARC) Addendum

2020-21 Local Accountability Report Card (LARC) Addendum Overview

On July 14, 2021, the California State Board of Education (SBE) determined that the California Department of Education (CDE) will use the SARC as the mechanism to conduct a one-time data collection of the LEA-level aggregate test results of all school's local assessments administered during the 2020–2021 school year in order to meet the federal Every Students Succeeds Act (ESSA) reporting requirement for the Local Educational Agency Accountability Report Cards (LARCs).

Each local educational agency (LEA) is responsible for preparing and posting their annual LARC in accordance with the federal ESSA. As a courtesy, the CDE prepares and posts the LARCs on behalf of all LEAs.

Only for the 2020–2021 school year and the 2020–2021 LARCs, LEAs are required to report their aggregate local assessments test results at the LEA-level to the CDE by populating the tables below via the SARC. These data will be used to meet the LEAs' federal requirement for their LARCs. Note that it is the responsibility of the school and LEA to ensure that all student privacy and suppression rules are in place when reporting data in Tables 3 and 4 in the Addendum, as applicable.

The tables below are not part of the SBE approved 2020–2021 SARC template but rather are the mechanism by which these required data will be collected from LEAs.

For purposes of the LARC and the following tables, an LEA is defined as a school district, a county office of education, or a direct funded charter school.
