

Gifted Plans and Procedures

All students are screened, assessed, and identified in the areas of superior cognitive ability, specific academic ability, creativity, and visual and/or performing arts using [ODE approved assessment instruments](#). The district ensures equal opportunity for all Green Local School students identified as gifted to receive services offered by the district.

Acceleration

Early Entrance to Kindergarten as well as whole grade and subject acceleration are available to students meeting criteria set by ODE and specified through the board policy information listed below.
