Who I am?

My name is **Victoria Ines Valenciano Fernandez** and I'm the school nurse at BISS.

The school nurse is a part of the school's collaboration team but does not provide information about students to the school without the consent of the student/parents.

School nurses is easily accessible to students, parents/guardians and school personal. We hope to be able to provide help to children when something is bothering them, and to provide support to children and their families during vulnerable times.

We try to help children and young people take care of their own health and to tackle the challenges that may meet them in everyday life.

When I am available at the school?

Monday, Wednesday, Thursday & Friday from 8:30-14:00.

Where can you find me?

My office is next to the library in the upper building
