# ★ INTRODUCTION AND PURPOSE ◆

The purpose of this Purchasing Manual is to assist all school district employees with the proper purchasing practices to be in full compliance with:

- New Jersey Public School Contracts Law--N.J.S.A. 18A:18A-1 et seg.;
- New Jersey Administrative Code--N.J.A.C. 5:34-1 et seq.;
- Board of Education Purchasing Policies;
- Federal Procurement Code--2 CFR 200.317 et seq., when applicable;
- NJQSAC Fiscal DPR Indicator #15;
- Local Finance Notices NJ Division of Local Government Services; and
- Other laws and administrative code when applicable.

The Purchasing Manual is designed to achieve three (3) goals:

- 1. Compliance with the law, code and board policy on purchasing;
- 2. Promote efficiency in the purchasing practices; and
- 3. Achieve savings of money through proper purchasing practices.

#### **Proper Planning**

We ask you, the user of the purchasing system, to help achieve these goals through proper planning. Please allow yourself enough leeway between generating a purchase order and the actual date materials or services are needed. Please think of purchasing in terms of a whole year. What items and services do you need on an annual basis? Through proper planning, we can eliminate much of the frustration that is encountered with all public school purchasing procedures.

#### Who Should Review this Manual?

This manual should be reviewed with all administrators, department heads, teachers, secretaries, and others who are involved in the purchasing process. It is imperative that everyone adhere to all purchasing laws and guidelines.

# Deliberative Process—Purchases of Goods and Services Take Time!

#### Compliance with Law; Code; Board Policy

Public school purchasing is a deliberative process, designed to ensure compliance with the Public School Contracts Law, appropriate New Jersey Administrative Code, board of education policy and when applicable, Federal Procurement Code.

#### Limit Fraud

The deliberative process also encompasses checks and balances and internal controls designed to limit fraudulent activities.

Public school purchasing is indeed a time consuming effort; please be patient!

# **Mandatory Training**

All school personnel involved in the requisition and purchasing process shall attend mandatory training sessions concerning proper purchasing procedures. The training will be presented in one session and will review the following:

Administrators who recommend purchases should be able to explain and defend the need of the purchase and why the purchase is essential to the school district. Administrators who sign off on requisitions/purchase orders may have to provide an educational or operational rationale for the purchase based on the following:

- How will students learn or benefit from the purchase?
- What educational achievement or program may be linked to the purchase?
- How is the purchase of operational value to your school/office?
- Are the goods/services purchased useful for the long term rather than immediate need?
- Have inventories been checked to determine whether there is a real need for the purchase?

Administrators may have to justify the need for the purchase and if so required, explain the need at a Board of Education meeting.

#### Award of Contract--Lowest Responsible Bidder

The common thread of all these bids is the district has to award the contract pursuant to N.J.S.A. 18A:18A-4 (a) to the lowest responsible bidder.

N.J.S.A. 18A:18A-2 (I). "Aggregate" means the sums expended or to be expended for the provision or performance of any goods or services in connection with the same immediate purpose or task, or the furnishing of similar goods or services, during the same contract year through a contract awarded by a purchasing agent.

#### **Bids and Purchasing:**

#### 1. Bid Limit -- \$44,000

The Board of Education is restricted by New Jersey state law on how much money can be spent by the district for the entire year on materials, supplies, and services.

This restriction is called the **bid threshold** or **bid limit**. The bid limit is \$44,000. This means that any specific item, class of items, and/or services of a similar nature, purchased by the school district totaling in the aggregate more than \$44,000 for the entire year, must be competitively and advertised for bid. This restriction is for the entire district and not by location or schools.

School officials cannot circumvent the law by splitting purchases to be under the \$44,000 bid limit. Administrators that have purchases that may exceed the \$44,000 bid limit, are to contact the Purchasing Office to begin planning the bid process.

The formal bidding process takes about 6-8 weeks to complete as explained in the Appendix under Bid Process.

#### 2. Annual Bids—N.J.S.A. 18A:18A-9

The Board of Education, to be in compliance with N.J.S.A. 18A:18A-9, requests administrators/supervisors and school principals start to plan and prepare for Annual Bids. The proposed time lines are as follows:

February- March	Administrators/Supervisors prepare technical specifications to be reviewed by the Purchasing Agent.
April	Purchasing Agent prepares final bid specifications to be drafted in a manner to encourage free, open, and competitive bidding. Bids are advertised pursuant to the Public School Contracts Law.
May/June	Annual bids are received, opened and tabulated by the Purchasing Agent.
May/June	Award of contract resolutions are prepared by the Purchasing Agent for Board of Education review and approval.
June	Purchase orders are generated by Administrators/Supervisors and presented to the Purchasing Agent for services to begin on July 1 <sup>st</sup> .
June/July	Purchase orders are generated for goods and materials to be delivered to the schools for August delivery.

#### 3. Bidding: Time Frame

As stated before, the formal bidding process usually takes about 6-8 weeks from start to finish. Please plan appropriately. An outline of the bidding process is located in the Appendix.

#### 4. Exceptions to the Bid Limit

New Jersey State Law allows for some exceptions to the bid requirements. There are approximately twenty (20) exceptions where a Board of Education does not have to advertise bids for goods and services. Some of them are:

- a. Purchasing through New Jersey State Contract; Other State Approved Co-ops.
- b. Professional services as outlined by New Jersey law;
- c. Textbooks, kindergarten supplies, student produced publications, library and educational goods;
- d. Legal notices, food supplies, milk, utilities, insurance, election expenses, travel and conferences; and
- e. Contracts with other government entities; county and state colleges.

These purchases may be subject to the quotation process pursuant to N.J.S.A. 18A:18A-37(a) if practicable.

#### B. Quotations (Purchases that fall between \$6,600 and \$43,999)

This method of procurement is used for contracts for goods, materials, services and public works projects that in the aggregate are between \$6,600 and \$43,999.

#### **Examples:**

Athletic Trainer Supplies Athletic Wear

#### Award of Contract—Price and Other Factors

The board of education, is obligated to solicit at least two (2) competitive quotations and award the contract pursuant to N.J.S.A. 18A:18A-37 (a), to the vendor whose response is most advantageous, price and other factors included.

#### **Quotations and Purchasing**

#### 1. Quotation Limits--\$6,600 through \$43,999

The quotation limit (threshold) presently is \$6,600. This means that any specific item or group of items of a similar nature purchased by the school district, totaling more than \$6,600 and less than \$44,000 for the entire year, must be competitively quoted or advertised for bid at the discretion of the Purchasing Agent.

School officials cannot circumvent the law by splitting purchases to be under the quotation threshold.

#### 2. Quotation Process

All quotations shall be in writing and will be coordinated by the Office of the Purchasing Agent. When a quotation is deemed necessary, the administrator/supervisor or school principal is asked to contact the Purchasing Office. The Purchasing Agent will review these quotation specifications to determine whether they are set up to provide open and competitive quotations.

Please note: The formal quotation process could take about 2-4 weeks from start to finish.

There will be no telephone quotations except in a case of extreme urgency.

#### 3. Receipt of Two (2) Quotations

Pursuant to N.J.S.A. 18A:18A-37(a) the school district shall solicit two (2) quotations, if practicable. Evidence of the quotation process shall be kept on file. A copy of the quotation shall be attached to the purchase order. It is the responsibility of the requester to solicit formal quotations.

#### D. Competitive Contracting (Certain Contracts over \$44,000)

This procurement method is used for certain contracts over \$44,000.00.

The district can only use this method for contacts that are outlined in NJ State Law 18A:18A-4.1. **Some** of the examples that are permitted are

- Proprietary Computer Software for Board Use
  - 1. Student Data Warehousing
  - 2. Student Information System
  - 3. Business Office; Human Resources Software

- Educational Consultant Services
- Instructional Improvement Services

The award of contract is similar to the RFP award of contract. It is based upon the same evaluative criteria which is designed to award the contract to the respondent whose response will provide the highest quality services at fair and competitive prices.

The administrative process of Competitive Contracting as outlined in N.J.S.A. 18A:18A-4.1 et seq. and N.J.A.C. 5:34-4.1 et seq. is a rather lengthy process and may take 6-8 weeks to complete.

#### 2. Problems Encountered with Receipt of Goods

# Problem: Back Orders

Sometimes items ordered will not be received in the first shipment. This is known as a back order. The packing slip will have back order written on those particular items.

#### **Process to Follow:** Back Orders

If the order is incomplete because there is a back order, do not wait for the next shipment. Please do the following:

- Mark on your receiving copy of the purchase order those items you did not receive.
- Make and keep a copy of your receiving copy and the packing slip.
- Send the original receiving copy and packing slip to the Business Office.

• Upon receipt of the back order in the next shipment, check off your copies of the receiving copy and the packing slip and send both copies to the Business Office.

#### Problem: Items Missing from Order

Sometimes items are marked on the packing slip they were delivered but are missing from your shipment.

#### **Process to Follow:** Items Missing

- Call the company and tell them what was missing.
- Mark on the receiving copy and packing slip what items were missing.
- Make and keep a copy of your receiving copy and the packing slip.
- Send the original receiving copy and packing slip to the Business Office.
- Upon receipt of the missing item in the next shipment, check off your copies of the receiving copy and the packing slip and send both copies to the Business Office.

Sometimes you will receive items that are damaged or the wrong item.

#### **Process to Follow:** Items Damaged; Wrong Item

#### **Process to Follow:** Discontinued Item

- Mark on the receiving copy (pink) of the purchase order "discontinued."
- Do not call the company for a replacement item. You must complete a new purchase order.

#### **VENDOR PAYMENT PROCESS**

# **Contracted Services**

#### **Role of School District**

#### Purchase Order Contract Amount—Not To Be Exceeded!

The contracted services vendor/provider (vendor) receives a purchase order from the Purchasing Agent notifying the vendor that services may begin.

The purchase order has a total contract amount. This contract amount may not be exceeded unless authorized by the Board of Education in writing.

# Monitoring Contract Amount—District Administrator Responsibility!

The School Business Administrator asks all district administrators to monitor all vendor bills and invoices to ensure they do not exceed the total contract amount. Administrators are asked to contact the Purchasing Agent, forty-five (45) days in advance, if the total contract amount is close to being exceeded. The Purchasing Agent then can begin a process to exceed the purchase order amount pursuant to administrative code.

#### **Exceeding Contract Amount—Unauthorized Service!**

If any administrator permits a vendor to exceed the contract amount, the administrator has permitted an unauthorized service, which is similar to an unauthorized purchase. Administrators are asked to monitor the dollar amount of services being provided to the district.

#### Monitoring Contract Amount—Vendor Responsibility!

The district asks all vendors to also monitor all bills and invoices to ensure they do not exceed the total contract amount. Vendors are asked to contact the respective administrator, forty-five (45) days in advance, if the total contract amount is close to being exceeded.

#### **Exceeding Contract Amount –- Written Authorization!**

Contracted vendors may only exceed the amount on the purchase order when authorized by the School Business Administrator in writing. The authorization will be in the form of a new purchase order being issued to the contractor signed by the Purchasing Agent.

#### **End of Year Billing/Cancellation of Purchase Orders**

Administrators are to work with contracted services vendors so that end of the year invoices are submitted to the Business Office in a timely fashion. This is imperative. In order to comply with the State of New Jersey Department of Education requirements, the district has adopted a policy of canceling open purchase orders at the end of the fiscal year. All invoices must be billed within thirty (30) days of services to meet the State Department of Education deadline. If we are not in receipt of

your invoice within the thirty (30) day deadline, we will not be able to process payment in a timely fashion and the corresponding purchase order may be cancelled, thereby causing a delay in payment.
