If you are employed, but do not have insurance, please state "NO INSURANCE" and provide us with a statement from your employer noting that the student/claimant has no insurance or complete the enclosed form – 'Statement of No Other Insurance'. Otherwise, our office may submit an insurance questionnaire to your employer to be used as verification of no dependent coverage.
- Please contact all medical providers where treatment was received and instruct them that you have secondary insurance. If you give the medical/dental provider a copy of the BMI Accident Claim Form, they should bill BMI directly after they bill your primary health insurance. You may also obtain and attach copies of your primary carrier's Explanation of Benefits (EOB) and all itemized medical bills, known as HCFA 1500s (physician billing form), UB-04s (hospital billing form) and ADA Dental Claim Form (dentist billing form) The itemized medical bills should show the ICD-10 and CPT codes for the services provided, as well as other necessary information for insurance processing. Balance due statements are NOT itemized bills and cannot be processed and paid by BMI Benefits. The insurance policy is an excess insurance, which means benefits are provided after any other valid and collectible insurance has processed the medical claims.**
- In regards to claims for a dental injury, the policy will cover accidental injury to sound, natural teeth. The claim must be submitted to both the dental insurance and the medical insurance if available. In regards to reimbursement for prescription expenses, we will need a copy of the itemized prescription bill. Cash register receipts only will not suffice.
- If you have already paid the medical service provider and wish to be reimbursed directly, please attach a paid receipt or statement that verifies the payment along with the itemized bills and primary EOBs. HSAs and FSAs are reimbursable, however HRAs are not reimbursable.
- Submit the completed claim form, itemized bills and primary insurance Explanation of Benefits to BMI Benefits, LLC. Claims can be submitted via mail, fax, or e-mail.

Student Accident Insurance

Frequently Asked Questions

Why is my child's school providing student accident insurance?

Many health insurance plans have high deductibles and plan limits that leave parents with high bills resulting from an unexpected accident. This excess policy, provided by the school, protects students and families from the costs associated with school-time and/or sports related accidents depending on your school's chosen policy coverage.

Who is BMI Benefits?

BMI Benefits, LLC. is the claims administrator on behalf of the insurance carrier.

Does primary insurance always have to pay first?

Yes. Medical claims must always be submitted initially to your primary insurance policy. Any remaining balance of expenses not covered by your primary will be submitted to the excess policy. The policy will cover the remaining balance of eligible expenses up to the plan maximum.

Does the accident insurance policy pay for out-of-pocket expenses such as co-pays and deductibles?

Yes. These charges can be submitted to the accident insurance policy to provide reimbursement.

What documents are needed to process a claim?

If your student is involved in a school-related accident, the following documents are needed to properly process a claim:

- **Fully completed BMI Benefits Accident Claim Form**
- **Itemized Bill – in the form of a HCFA, UB04 or ADA Dental Claim.** These can be obtained through the medical/dental provider. **DO NOT SEND** cash receipts, balance due, balance forward, or past due statements for claims processing or payment. An itemized bill (HCFA or UB04) contains the following information:
 - Provider's Name, Provider's Address, Tax ID Number
 - Date(s) of Service, Type of Service(s) Rendered including CPT and ICD-9 Codes
 - The Fee for Each Procedure
- **Primary Insurance Explanation of Benefits (EOB)** – you should receive a copy of this from your primary insurance carrier. If your health insurance coverage is a state or federal government funded plan such as a Medicaid, Medicare, or Military insurance such as Tri-Care, the primary EOB is not required.

Where do I send all of these documents?

Please send all claim forms, itemized bills, primary EOBs, other insurance information and claims correspondence to BMI Benefits, LLC. **It might be easier to contact your medical provider, submit BMI's information as the secondary insurance, and the provider will bill BMI directly with the itemized bills and primary EOBs.**

What insurance information do I have to give a provider?

When you go to hospital, Doctor's office, PT clinic, etc, you must remember to tell them you have secondary insurance through your school's student accident medical insurance policy. Instruct the provider to bill your primary insurance first and then send the primary EOB and the itemized bill to BMI Benefits, LLC. **If you did not submit the secondary insurance information upon your first visit, please call the provider and give them the secondary insurance information for BMI Benefits.** If the provider bills the school's student accident insurance policy directly, this should prevent a balance due statement from being sent to the student/parent.

What can cause a delay in processing and paying a claim?

The claims administrator cannot process a claim that is missing one or more of the following documents: the accident/injury claim form, the Itemized Bill or the Primary EOB / denial. We cannot accept balance due, balance forward, or past due statements for claims processing.

Who can I contact if I have any questions? If you have questions after you submit your claims to BMI Benefits, LLC. please contact them at 800-445-3126. Please be aware that settlement of your claim may take several weeks to process. When contacting BMI Benefits, please have your claim form available, as well as the name of the school, school district, or Policyholder to ensure prompt assistance.

NOTE: When BMI processes a submitted claim, an Explanation of Benefits (EOB) will be mailed to the medical provider of service with any check payment. A second copy is also mailed to the address on file for the claimant/student explaining the claim payment details. If any information is missing in order for BMI to process and pay an outstanding claim, an EOB will be mailed stating what needs to be submitted to BMI for reprocessing and payment of the medical claim.

The following information highlights certain form completion instructions. Comprehensive ADA Dental Claim Form completion instructions are printed in the CDT manual. Any updates to these instructions will be posted on the ADA's web site (ADA.org).

GENERAL INSTRUCTIONS

- A. The form is designed so that the name and address (Item 3) of the third-party payer receiving the claim (insurance company/dental benefit plan) is visible in a standard #9 window envelope (window to the left). Please fold the form using the 'tick-marks' printed in the margin.
- B. Complete all items unless noted otherwise on the form or in the CDT manual's instructions.
- C. Enter the full name of an individual or a full business name, address and zip code when a name and address field is required.
- D. All dates must include the four-digit year.
- E. If the number of procedures reported exceeds the number of lines available on one claim form, list the remaining procedures on a separate, fully completed claim form.

COORDINATION OF BENEFITS (COB)

When a claim is being submitted to the secondary payer, complete the entire form and attach the primary payer's Explanation of Benefits (EOB) showing the amount paid by the primary payer. You may also note the primary carrier paid amount in the "Remarks" field (Item 35). There are additional detailed completion instructions in the CDT manual.

DIAGNOSIS CODING

The form supports reporting up to four diagnosis codes per dental procedure. This information is required when the diagnosis may affect claim adjudication when specific dental procedures may minimize the risks associated with the connection between the patient's oral and systemic health conditions. Diagnosis codes are linked to procedures using the following fields:

- Item 29a – Diagnosis Code Pointer ("A" through "D" as applicable from Item 34a)
- Item 34 – Diagnosis Code List Qualifier (B for ICD-9-CM; AB for ICD-10-CM)
- Item 34a – Diagnosis Code(s) / A, B, C, D (up to four, with the primary adjacent to the letter "A")

PLACE OF TREATMENT

Enter the 2-digit Place of Service Code for Professional Claims, a HIPAA standard maintained by the Centers for Medicare and Medicaid Services. Frequently used codes are:

- 11 = Office; 12 = Home; 21 = Inpatient Hospital; 22 = Outpatient Hospital; 31 = Skilled Nursing Facility; 32 = Nursing Facility
