Lake Washington School District invites you to join ParentSquare

[Activate your account]

Lake Washington School District (LWSD) is excited to announce that we have adopted a new form of school-to-home communication called **ParentSquare**. This unified communications platform is designed to keep families informed and encourage greater engagement and connection with LWSD. It provides a safe way for district administrators, school administrators, teachers, staff and families to:

- Send and receive school and class information
- Set their language preference to receive translated communications in languages other than English (100+ language options available)
- See calendar items
- Sign up to volunteer
- Schedule parent-teacher conferences
- and much more . . . all in one centralized place!

[Parents—Getting Started Video](#)

High School students will also be invited to join StudentSquare. This tool will allow them to better communicate with their teachers and other staff in a secure location.

All district and school, grade level and classroom information will now be sent to your computer or phone via email and/or text. For even more convenience, download the ParentSquare app (available for free for iOS and Android devices).

Have questions? Click the question mark in the top right corner of the desktop version or the Help tab on the app (tap the triple bar icon at the top left) to find answers to most of your questions. You can also visit the LWSD ParentSquare page here:

<https://www.lwsd.org/students-families/parentsquare/>.

You're invited! We invite you to sign in and test out ParentSquare now, so you can set your preferences prior to the start of the school year. We look forward to connecting soon!

If you do not have a child at Lake Washington School District or are not associated with the school, please contact Lake Washington School District at 425-936-1300.
