STORM DAY OPTIONS

In this box are "Storm Day Options." The school year will begin with these as days off for students. If storm days are needed, the BOE, Superintendent will inform families as soon as appropriate.

2/21/2023 and 5/26/2023

As the district moves through the year we will keep the learning community apprised of the need to use designated days as student attendance days. The district will do what is necessary to tell families as soon as possible of any calendar changes. Using this strategy builds in storm day response and keeps end-of-school dates and activities stable.
