

School District of the City of Pontiac

Kelley Williams, Superintendent | 47200 Woodward Ave, Pontiac, MI 48342 | 248.451.6800

August 22, 2022

Dear Pontiac School District Families:

As we prepare to begin the new school year, I wanted to share with you our updated COVID-19 safety protocols.

In continuing to work with the Oakland County Health Division and reviewing the recommendations of the Michigan Department of Health and Human Services, face masks will be optional for the 2022-2023 school year.

This means that at this time, families, staff, and visitors coming to our school buildings can choose at their discretion whether to wear a mask or not while in our buildings. The decision to mask or unmask will be based on the comfort level of the individual and applies only to the individual themselves.

Please note, we will be monitoring our community spread level through the CDC and in the event our area is deemed as "HIGH" or "RED LEVEL" we will reassess and reserve the right to return to required masking at that time. Should that occur, we will alert families and staff immediately.

We will continue to conduct our daily COVID-19 screenings and temperature checks across the district. Air filters will continue to run in all buildings, and we will still have desk shields available for use for those who are immunocompromised upon request.

Thank you for your cooperation and let's make it a great year!

Sincerely,

Kelley Williams, Superintendent
