

Jeffrey Ratner Robert Seaman

Dear Students:

Welcome to Fifth Grade!!! We are so happy to have you as a member of the **Ratner Seaman Class of 2023!** We hope that you had a fun-filled summer.

We have wonderful events to look forward to this year. We will be taking many field trips and learning about oceanography, our heritage, DNA, and a host of other projects that will keep us quite busy.

In case you want to beat the crowds at the supply counter, we are enclosing a list of supplies you can purchase before school begins. You should also be prepared to come to school with a good book so that we can enjoy some leisure reading during those first few days of school.

We hope you enjoy the remainder of the summer and we look forward to meeting you in August.

Very truly yours,
The Fifth Grade Teachers
