

Welcome to KINDERGARTEN

Dear Parents,

Welcome to the new school year! I would like to take this opportunity to introduce myself to you. My name is Lisa Izzo and I am very excited to be your child's kindergarten teacher this year. Kindergarten is a wonderful year that is filled with making new friends, learning and discovering new things, and maturing. It is the beginning of your child's educational journey at Jackson and I plan to help him/her have the best experience possible.

I believe that it is important for me to get to know your child before school begins. In order to do this, I am asking for your help. Please take a few minutes to write and email me a letter about your child. Please include information that you feel is important for me to know about your child and his/her feelings about school.

I know the beginning of school will look a little bit different than it has in past years. The kindergarten teachers and I have been very busy planning fun and meaningful learning activities that will allow us to maintain social distancing while getting to know each other.

It's going to be a year filled with new adventures and experiences. Please feel free to contact me throughout the school year. I want to be your partner in supporting your child in any way. The best way to reach me is through email or by phone.

Enjoy the rest of the summer!

Dear Kindergartner,

It is almost time for you to come to school. My name is Mrs. Izzo and I am so excited to be your teacher. We are going to have a fabulous year! You are going to make lots of new friends, discover new things and learn so much. We are going to have a great time growing and learning together.

During the first couple of days of school, we will be spending time getting to know each other. I can't wait to learn all about your wonderful gifts, strengths and talents. For our first day of our getting to know you activities, please wear your favorite color to school.

In our classroom you are cared about! My goal will be to encourage you to be the best person you can be and support you in every way. I'm so excited for us to build our class community where you will feel safe, loved and comfortable.

I'm so excited to meet you! I know we are going to have a great year!

Hugs and Kisses,
Mrs. Izzo
