

Dear Second Grader,

Welcome to Second Grade! I am so happy you will be in my class, and I look forward to getting to know you.

There are a lot of wonderful and fun activities planned. In second grade, we love to read, write, and do math! We look forward to publishing several types of writing. We will also read different types of fiction and non-fiction books this year. In addition, we will be doing lots of exciting science and social studies activities.

Attached, please find a list of supplies that you will need. **Please write your child's first and last name on the items that have a star\* next to them on the supply list.**

I am really looking forward to meeting you on the first day of school. I hope you are as excited as I am about starting a new school year! Please bring a healthy snack and a water bottle on the first day.

Love,  
Mrs. Levitt
