

September 2022 **PIE MEMO** (*Partners in Education*)

A Note From Sister Rayleen

“The simplest and most practical lesson I know is to resolve to be good today, but better tomorrow” *Mother Catherine McAuley, Founder of the Sisters of Mercy.*

Welcome to the 2022-2023 school year!! For many, it’s “Welcome Back” while for others it’s “Welcome!” I pray, for all, it will feel more like “Welcome Home!”

It’s hard to believe that we are about to begin another school year. In fact, we are embarking on Mercymount’s 75th year. In many ways, we can proclaim that we have been faithful to Catherine McAuley’s words to one of the sisters. We continue “to be good (may I say striving for excellence) today and even better tomorrow.” As those of you who have visited school during these weeks know, the summer has found us engaged in many projects: the usual maintenance and tidying up, a new roof on Mercy, fans in the cafeteria, shades in a couple of the classrooms, new windows in the kitchen, painting here and there, a new front walkway, and adding the technology this year’s “fund-a-need” financed. I imagine your children, and hopefully you, will recognize some of the changes immediately. Please know that these changes are a result of many helping hands and generous hearts. To say, “I am grateful!!” is an understatement. I am immensely grateful for your time, talent, and generosity. I feel blessed by you each day – I hope and pray you know that! I look forward to partnering with you, remembering that the education of your child(ren) is a sacred entrustment.

Let us continue to pray for each other.

She also served as a director of early childhood education where she provided oversight of teachers and ensured developmentally appropriate curriculum and implementation. Required Forms

Parents will fill out required school forms and verify demographic information online. An email will be sent to parents with a link to the online forms. Please have these forms completed by Friday August 29th. The School Handbooks have been updated and are available online <https://www.mercymount.org/academics/resources>. The online forms that you will complete include an electric signature sign-off that will attest to the acceptance of those policies as well as the Electronic Devices Policy and Computer and Internet Acceptable Use Agreement and Policy. Please read the Handbook(s) thoroughly before signing.

Nurses' Notes

To ensure each child's safety, students will not be allowed to attend school until all required health forms are received by the Nurse. Any students without proper documentation of immunizations will not be admitted on the first day of school. Forms can be obtained on our website at: <http://www.mercymount.org/students-experience/health-services/>. I am attaching the medication release form to be returned by Friday, Sept 9th. Students with allergy concerns must submit a Student Allergy Action Plan, signed by a physician.

Screenings for vision, dental, hearing, and scoliosis are held throughout the school year as required by the RI Department of Health. Parents will be notified prior to the scheduled dates. Please refer to the School Handbook or the web site for complete health information, including immunization requirements, guidelines regarding sick students and requirements for medication.

Please see the Nurse's attached letter regarding the most current Covid protocols.

Busing

An email was sent out this week listing the depot stops for Cumberland residents. Should you have any questions or concerns regarding the depot stops, please reach out to Tracy Walton of the Cumberland School Department at 401-658-1600 x274. Last week, Mrs. Simas sent an email to all North Smithfield, Woonsocket, and Burrillville residents with their bus information. If you did not receive an email, please reach out to RIDE transportation at 401-301-9136.

Early Bird Pick Up

Students in Gr. 6 - 8 who do not ride the bus and have no siblings in the lower grades may be picked up in the front of the school at 2:55 p.m.

School Calendar Updates

Please note there are two additional Professional days that were omitted from the first draft of our School Calendar. Wednesday, January 25th and Monday, March 13th will be Distance Learning days.

School Schedule

School hours are 8:30 a.m. to 3:00 p.m. Please note that punctuality is of great importance as it allows your child to start his or her day gently and positively.

Please consult the **September calendar** for the opening schedule. Students in Grades 2-8 will receive classroom assignments on their first day of school.

Pre-K students will report directly to their classrooms upon arrival in the morning (prior to 8:30). This gives students the opportunity to be welcomed by their teachers and to connect with their peers within the comfort and security of the classroom. PreK and Kindergarten students will continue to be dismissed at the outside classroom door (via sidewalk) at 2:50 p.m.

Before/After Care

Beginning Wednesday, August 31st, students in **grades K-8** may be brought to school between 7:15 – 8:15 a.m. for **Before Care** supervision. If you drop your child off between 7:15-7:30 a.m. the cost is \$10 cash per child, 7:30-8:15 a.m. the cost is \$5 cash per child, or from 8:15 – 8:30 (free). Please enter the cafeteria via the sidewalk door.

Beginning Wednesday, August 31st, students in **Pre-K** may be brought to school between 7:45 and 8:15 for **BeforeCare** supervision. The cost is \$5 cash per child. Please bring your child directly to the exterior classroom door.

After Care also begins on Wednesday, August 31st. If you are new to After Care, you can register using the following link: <https://schools.procareconnect.com/register/892520f6-9cbf-472b-bc89-1672691e3649>.

When registering, please note any food allergies and who is authorized to pick up your child. Both Before and After Care services are provided by the teachers for the convenience of the parents and may be used regularly or on an as needed basis. Please let your child's teacher know the days that they will be going to aftercare. If it is last minute, please call the office. AfterCare begins immediately after school and ends at 6:00.

The cost of AfterCare is \$12 per child and \$10 per child for families with two or more children. You will be sent an invoice weekly via the ProCare system and have the option to pay online or send a check payable to Mercymount to the office. Please note AfterCare on the envelope or in the check memo.

For more details regarding our After Care program, please see the After Care page at the bottom.

Uniforms

Please refer to the School Handbook and/or school web site for uniform requirements. Last year, due to supply chain issues, enforcement of our school uniform dress code was lenient. Since many of the issue that Donnelly's Clothing experienced with the supply chain were rectified, we want to remind you that we will re-implement stricter adherence to our policy. For example: boys must wear belts and all students should wear white or navy socks and shoes.

There are many new and "gently used" uniforms for the taking. Blouses, pants, skirts, jumpers, sweatshirts, etc.all free! They are kept in the Copy Room off the Cafeteria.

Used Uniforms

The office will accept clean, used uniforms to be recycled out of our uniform room.

Parking Lot

For safety reasons, all drivers should BACK into parking spaces for dismissal. Please respect all assigned “RESERVED” spaces for faculty, Handicapped and Auction.

Drive *SLOWLY* at all times and be aware of children while entering and exiting parking lot and school property. Remember that Edward Tulane Terrace is a one-way drive; you must enter from Fisher Road and exit past the school. **UNDER NO CIRCUMSTANCES SHOULD YOU EXIT ONTO FISHER ROAD!** When exiting the building, please use the designated crosswalks. Also, we are working on a few different solutions to increase parking lot safety. Thank you for your cooperation.

Lunch Program

Mercymount provides a nutritious lunch for the children every day as well as providing a la carte beverages and snacks.

Payments for lunch are made using a *cashless* lunch payment program through PaySchoolsCentral.com. All students are automatically enrolled in the system and charges will begin on the first day of school. **Parents are required to go online and fund your child's account prior to the start of school.** Any family not previously enrolled will receive an email with directions to enable your account and enter payment information. **Please remember to set up your account with low-balance alerts!**

Labeling Personal Items

It is very helpful to put labels on your child's personal belongings. Lunch boxes, water bottles, and uniform items, often end up in the Lost and Found. Having names on your items is very helpful and cuts down on our overflowing Lost and Found pile. Thank you in advance for your cooperation.

Peanut/Tree Nut Allergy

Since one or more individuals in the school have an allergy to peanuts/tree nuts, the sale of peanuts/tree nuts, peanut butter and other nut-based products is prohibited in the cafeteria. **Classroom snacks should be nut-free for all students**, as all classrooms are designated as “allergy-free”.

Opening Liturgy - September 9

We will celebrate our Opening Mass with all students and parents who wish to join us on Friday, September 10th in the school gym at 10:00 a.m. All are welcome to attend.

As always, children are asked to wear their formal school uniform for this liturgy and following liturgies.

Back-to-School Night and Hall of Fame- September 13

The annual Parent Association *Back-to-School Night* will be held on Tuesday, September 13th at 6:00 p.m. We begin with an informative meeting followed by the Induction Ceremony to the Hall of Fame 2022. The evening extends to classroom visits for some highlights by the teachers. It promises to be an exciting night! More information to follow.

Friday Morning Helpers

Beginning Sept. 2nd, on Friday mornings parents are welcome to help teachers with “chores” from 9:00 – 11:00 a.m. Our Friday Helpers work in the Copy Room cutting, copying, laminating, collating, etc. for teachers and staff. It’s a much-needed and much-appreciated service; just drop in any or every Friday. You can even bring your “little ones.” Friday Helpers will also be responsible for organizing the supply of gently used uniforms.

Volunteers

Calling all volunteers! One of the most important components of Mercymount is the wonderful group of volunteers who help the staff and teachers during the school year. If each family committed to **One Hour** of volunteering a month, all of our volunteer spots would be filled! Grandparents, aunts, uncles, babysitters/nannies are also welcome to volunteer! Melissa Quinn will be coordinating the volunteers. Contact Melissa directly at mcdsvolunteering@gmail.com to sign up or if you have any questions.

There will be a short Orientation for lunch and recess volunteers before lunch time (10:40 a.m.) each day during the first week of school. We would like to go over safety protocols, as well as answer any questions you may have.

Volunteer Requirements

It is required that ALL volunteers MUST view the Safe Environment Presentation and MUST have a criminal background check (BCI) prior to any volunteering. Please contact Mrs. Ready in the office to receive the required paperwork. Once you complete the process, your certification is valid for three years. If you are unsure as to whether our Safe Environment certification is still valid, please email jready@mercymount.org or csimas@mercymount.org. You CANNOT chaperone or volunteer without being certified. We are sorry, but there are NO EXCEPTIONS to this rule. On average there is a 3-4 week processing period, so please plan ahead. The process cannot be expedited. It is your responsibility to make sure you are certified prior to offering to volunteer or chaperone.

Mercy Ministries Volunteers Needed!

Since 1999, our students in Grades 7 and 8 have been visiting and ministering to those in need at three local Mercy sites. In accordance with Mercy values established by Catherine McAuley, this program helps our students to recognize the dignity of all persons and to reach out in service to assist those most vulnerable in society.

Br. Alan Aubin is coordinating the program this year. **We also need you!** Volunteers are crucial to the success of Mercy Ministries. Please prayerfully consider giving your time to chaperone students at one of the Mercy sites. You do not have to be the parent of a Middle School student to help! For more information or to volunteer, contact Br. Alan Aubin at aaubin@mercymount.org, or indicate on the permission form that will be sent home with Gr. 7 and 8 students the first week of school.

MCDS 25th Golf Tournament

The Golf Tournament Committee is excited to open registration for our annual Tournament on Monday, September 19th. Please see the attached flyer and our website to register Golfers, Sponsorships, and Dinner Attendees. If you have any questions on additional details, please feel free to reach out to our committee members:

Mike Mallinson 203-464-3730
Tim Caggiano 781-636-8059
Matt Fletcher 774-292-0047

The Committee is also welcoming any volunteers. Please contact Kristin Mallinson at: kristenmallinson@gmail.com, if you would like to volunteer.

Sale of Water

As a Mercy school, we hold the Sisters of Mercy corporate stand on water as a basic human right and a sacred gift not to be bought, sold or traded for profit. Therefore, at Mercymount, bottled water is not sold or provided during school hours. There is a convenient water bottle refilling station at the bubbler right outside the gym.

Teacher Snacks

Below is the link to our Amazon Wish List created especially for our Teachers & Staff to show them how much we appreciate them! The list was compiled of all their favorite snacks & drinks!

https://www.amazon.com/hz/wishlist/ls/2YKSSGNOHUE9B?ref_=wl_share

Orders will be shipped directly to the school (select Mercymount as shipping address) to help refill our Celebration Station located in the Teachers' Lounge throughout the year! For those who prefer to drop off directly to the school, please see Mrs. Ready.

For any questions, please contact Colleen DiPetrillo at Colleen.DiPetrillo77@gmail.com

After School Playground Use

For the safety of our students and staff, use of the playground/swing set and field after school is limited to Mercymount **After Care attendees ONLY!** The presence of other children causes distraction and confusion for our AfterCare staff. In order to properly supervise our AfterCare attendees, we ask that you refrain from using the playground/swing set and field after school. Sorry for the inconvenience and thank you for your cooperation.

Sports

For the Fall, we will offer the following sports activities:

Cross Country (Gr. 4-8) - This program consists of a middle school team (Gr 6 - 8) and a junior division team (Gr. 4 -5). The middle school team practices 1-2 days per week and the junior team will practice 1 day per week. Practices are held at the school. Both teams will also participate in approximate 6 meets at Slate Park in Pawtucket, held once a week on Wednesdays. Activities generally run from after school until approximately 5:30 pm.

The cost for registration is \$60 for the middle school and \$40 for the junior team. This cost includes team uniforms for middle school that will be returned to school at the end of the season. The junior program uniform is the school gym uniform.

The cost of the program is \$60.

<https://go.teamsnap.com/forms/334065>

Instructional Soccer - (K -3) - This program meets at the school on Saturday mornings. This is a skills focused program where athletes are introduced to the skills of the game over the first several weeks of the program, gradually progressing to more traditional games for the last few weeks. This program generally runs through the end of October, weather permitting. Many new families have found that this is a great way to get to know people outside of the classroom!

The cost of this program is \$25 and includes a MCDS Soccer t-shirt.

Exact details and a sign-up link to be provided once the coaching staff is finalized!

Finally, we are always in need of volunteers to coach and to assist with various planning activities held throughout the year. Becoming involved is easy!
