COLLEGE ENTRANCE EXAM PREPARATION INFORMATION

We are excited to once again partner with Ray Dass Prep, which will benefit our students greatly regarding PSAT, SAT, and ACT preparation throughout the school year.

8th-11th grade students will learn incredibly important test-taking strategies through this innovative program. In many cases, students will be preparing for the highly coveted and respected National Merit Scholarship Program, which may result in scholarships and assist with entry into prestigious universities. *TWCA honored two National Merit Scholars and multiple Commended Scholars in 2021 and 2022!*

Ray Dass has spent the last decade developing and perfecting a program, named SARA™, which has benefitted over 100,000 students throughout the country and has won the national award for best test preparation application for the fourth year in a row by the National Merit Scholarship Program. Mr. Dass has spoken to some of the most renown education associations in the country to share his techniques and philosophies. SARA™ has achieved a level of success in the field of test preparation that has solidified Ray Dass' position as the nation's leading test preparation expert.

Every TWCA student in 8th, 9th, 10th, and 11th grade will participate in SARA™, which is a progressive, three-level program based on the "early engagement" approach advocated by College Board. SARA™ is designed to ensure student accountability and mastery of vital concepts and skills for the PSAT, SAT, and ACT.

The SARA program includes:

- Over 1000 HD videos
- Thousands of practice questions
- Test-taking strategies for the PSAT, SAT, and ACT
- Reinforcement of school curriculum
- Online office hours for extra help

SARA is the ONLY program that allows a student to see a question, work the problem, and watch a concise video explanation to master the concept. *Students will be working the program during the school day but may choose to go deeper with the program on his/her own time. Their progress will be monitored by designated faculty members.*

The Ray Dass Prep mission is to help all students reach their highest potential on these important exams and in academic settings in general.

We are beyond blessed to once again partner with this great company and know that it will result in confident and well-prepared students!
