

## Peer Tutoring Permission Slip

The peer tutoring program is a voluntary after-school tutoring session during which your student can receive help and guidance with academic subjects, homework, and study/review from a peer (EHS junior or senior) who has strong skills in the subject he or she is tutoring. Tutoring sessions are held from 3:35 pm-4:30 pm every Tuesday and Thursday. Tutoring sessions are always supervised by a teacher. Signing this permission slip once will grant permission for your student to attend any tutoring session during the 2022-2023 school year. If you have any questions or concerns please email Katie Burnett at [kburnett@wccusd.org](mailto:kburnett@wccusd.org).

### What Is After-School Peer Tutoring?

#### Tutoring is...

- A place to get extra help with homework
- A privilege
- Voluntary
- A “drop-in” environment where students can stay for ten minutes or one hour depending on how much help they need
- A place where materials are often available to use for homework
- A place for students who want to learn

#### Tutoring is not...

- After school care
- A punishment
- Required
- A place where students are required to arrive at 3:35 pm or stay until 4:30 pm
- A computer lab, a place for printing, or a place to check out books
- A place to “hang out” with friends

**I grant permission for my student to attend peer tutoring during the 2022-2023 school year. I also understand that my student will be expected to sign in and out and follow behavior expectations while attending tutoring; my student may be asked to sign out and leave if he or she does not follow expectations.**
