

Grade Level:	6-8
Class Title:	ART
Subject:	ART
Class Description:	<p>Art education will focus on equipping students to be able to master necessary skills in all areas of art. These will cover a wide variety of knowledge of artists and their techniques, the use of all types of mediums of painting, the knowledge of shading, the use of a line in drawing, cutting, and showing movement. Students will learn about colors and the color wheel. They will demonstrate skills in drawing, painting, cutting, folding, building, and much more. They will use types of glue and a variety of 3D projects to show textures in art. They will learn lines, shapes, forms, colors, values, textures, and space to show how art can be created. They will learn an appreciation for creativity and the ability to venture into using their own mind to create a new wonderful piece of art through each lesson. The student will appreciate the art of others and learn a positive attitude towards observing art as well as creating art.</p> <p>This class will work toward one or more state standards. This will be a year-long class, spanning the 2022-2023 school year.</p> <p>The estimated instructional hours for this class are ____per week. State Cedars Code: 05189 This remote class is overseen by the certificated teacher/consultant.</p>
Learning Materials:	List all materials.
