

ROSARY ACADEMY

June 2022

Dear Cracked Crab Partner,

Rosary Academy, established in 1965 in Fullerton, is an all-girls high school with over 450 students from all over Orange, Los Angeles, Riverside, and San Bernardino counties. We are the only all-girls high school in Orange County and offer a transformative and innovative college preparatory education, preparing the next generation of women leaders.

We are excited to host our **42nd Annual Cracked Crab Cocktail & Dinner on Saturday, September 17, 2022**. This event is an all-you-can-eat feast of crab, shrimp, sausage, tri-tip, for over 500 guests. To minimize expenses, this event is held on our school's campus. The proceeds from this year's event will support the Rosary Fund, the school's annual giving program.

Each year, we look for community business partners that will help us by underwriting specific expenses or by making a general cash, product donation, or service donation towards the event. We could not put this event together without our loyal business partners like you with the mutual goal to minimize expenses so that we can maximize the funds raised to benefit the student programs at the school.

Would you consider donating to our silent auction?

This feast is a community event, open to the public. It's a great way to engage and show support with current and potential customers in our school and alumnae family. We would acknowledge your donation and partnership with us on Rosary Academy's social media accounts, school website, school communications, as well as at the event itself.

If you have any questions, or if you would like to learn more about the event or have an idea on a specific donation you would like to make please let me know.

We sincerely appreciate your time and consideration of Rosary Academy.

Thank you,

Bernadette Stroud
