

# Welcome

Dear Students, Parents, and Guardians,

I want to welcome students back to school and into my classroom for the new school year. You will be exploring and gaining knowledge in World History, Algebra, Geometry, Earth Science, and Biology. To be successful, I encourage you to be in class, on time, and on task. I will rely on my 28 years of teaching experience and training to support you in reaching your goals.

I also want to welcome parents and guardians to the new school year. I hope that we can work together to support your student both at school and at home. You can follow student progress and assignments in ParentVue and google classroom. Please feel free to contact me with questions, concerns, or suggestions.

I look forward to seeing returning students and meeting new ones. I plan on a productive school year with lots of student growth and success.

Again, please feel free to contact me at [jtiano@newarkunified.org](mailto:jtiano@newarkunified.org) or 510-818-3219.

Thank you.

Mr. J. Tiano  
Bridgepoint High School
