HEFNER MIDDLE SCHOOL & PUTNAM CITY SCHOOLS FOUNDATION MENTORSHIP PROGRAM

*Hefner Middle School
8400 N. MacArthur
Oklahoma City, OK 73132*

The CAST Mentorship Program is designed to build relationships between the community, students, and families. By doing so, we believe we can help initiate positive and healthy change, improve academic and social performance, instill, and repair hope, and establish community support inside and outside the walls of the school.

How it works:

1. Contact *DiAnne Bryant* with CAST Mentoring to sign up as a volunteer/mentor for Hefner Middle School.
2. Complete a background check and mentor training.
3. Be prepared for a life-changing experience!

Volunteers will learn everything they need to know through mentor training with Paradigm Shift.
