and Growth Management*

August 25, 2022

Dear Parents/Guardians,

The CSDE (Connecticut State Department of Education) is once again requiring each Connecticut school district to submit a [‘Safe Return to In-Person Instruction and Continuity of Services Plan’](#) for the 2022-2023 school year.

We are required to continue to gather input via a [feedback form](#) regarding the ongoing safe return to in-person instruction for our students. This feedback will be reviewed by district administration, shared with our Board of Education, and considered as we move through this school year. All stakeholder feedback must be received by noon on Monday, August 29, 2022. Thank you for your support and involvement in this required CSDE process.

Per DPH/CSDE requirements we will continue to track COVID cases across our schools. These will be posted to our district chart (same process as last year) and updated daily on our [website](#). We will not be sending out any COVID case notifications as was done every Friday last year.

If you missed my [parent/guardian letter](#) sent out on August 15, 2022, I want to welcome all students and families back once again for an exciting start to the new school year! If you have any questions, please do not hesitate to contact me at 860-739-3966 ext. 5602.

Sincerely,

Jeffrey R. Newton
Superintendent of Schools
