

STAR GLOW

Suncrest Elementary Family Newsletter

The lunch menu is posted on the school website

The Family Handbook is also posted on the school website

Picture Day-
September 27th

Note from the Principal:

Welcome to the 2022-2023 School Year. Our theme this year is "Calling ALL Superheroes-Use Your Power 4 Good." Students came in on the first day so excited to be here and they were welcomed by Superheroes. We have many new faces at Suncrest Elementary this school year. Mrs. Rosetta Le is our new Assistant Principal. We have many new teachers, assistants and other staff. It has been a very smooth opening of school considering this is our first opening of school in 3 years that has seemed somewhat normal. We look forward to working with all of you and educating your future Superheroes.

Arrival and Dismissal has some "kinks" that will work out over time. Please remember to stay in your vehicle during these times and be patience with the staff as we work through the procedures. We have more students and staff than ever before. Buses are running later this year, and with time those buses will be on schedule and consistent.

We will have our first FTC (Family-Teacher Committee, formally PTC) on September 13th at 6:00 PM in the cafeteria. At this meeting we will be electing family members to serve on the LSIC (Local School Improvement Committee). This committee meets 4 times a year and assists the school in planning for success. If you would be interested in serving on this committee please email Mr. Gaither at douglas.gaither@k12.wv.us.

The State of West Virginia has updated the information system that we use for student information. This system also provides information for other programs, such as, REMIND, School Messenger, etc. There have been several glitches and we are working through those as a system. That is the reason for the lack of communication efficiency. We are going to use last year's Remind group for communication until the glitches are worked out. Please download the REMIND app on your phone if you do not have the app from last year and join Suncrest Elementary 22-23 group using this code a43c86. This could change but for now we are using this group and code.

New Staff:

Rosetta Le-Assistant Principal
Sheridan Haught-PK teacher
