Agenda:

Bylaws - Reviewed bylaws, policies and procedures that need to be followed at the School Council meetings. We have about 400 students on campus at this time. Lost enrollment due to families moving out of state, as well as losing 1 structured classroom.

School Council committee members will stay the same as last year minus Alex Smith. Unfortunately, he will be leaving us due to a scheduling conflict. Thank you Alex for your time with us.

The purpose of the School Council committee is to discuss what is going on at, and around our campus. We discuss and vote on ways to make our school more amazing for our students, using Tax Credit money and other funds for improvements. Our goal is to make our school a better place for our students.

We just finished our second week of school and still have vacant positions. We are still looking to hire; Instructional Assistants, Duty Aides, and Crosswalk Guards. We are encouraging everyone to spread the word. We are very excited to announce that we have hired 2 new employees for our new Flex-Time Instructional Assistant position in our Specialized Program. This position is an amazing opportunity that is being offered to individuals who have just a few, or maybe more hours to spend with us, and get paid. If you are interested, or know someone who might be, please let us know.

This year we are revisiting our Jr. Hero program that has been part of our school community service program for a few years. We want to ensure that the students enjoy and want to participate by earning community hours for prizes. Echells said that last year 5th grade was not overly enthusiastic about it. Burch mentioned that possibly a raffle might inspire students.

Liberty is very excited to bring "No Place for Hate" to our campus for the first time this year. This is a program that Principal Penoyer headed up at her previous school. This is a Citizen Character Program which will involve the entire campus by completing 3 positive school activities. There is a one time fee of \$100 per year.

The new and improved Liberty Loop has arrived, and we hope you have enjoyed the new layout. Also, PVUSD marketing department has spent months updating the district's website. Check it out, they would love your feedback!

Burch Karate students participated in a community service project by collecting school supplies. Karate Bill plans on donating these supplies to many schools. Thank you Karate Bill!
